

VOLUME-1

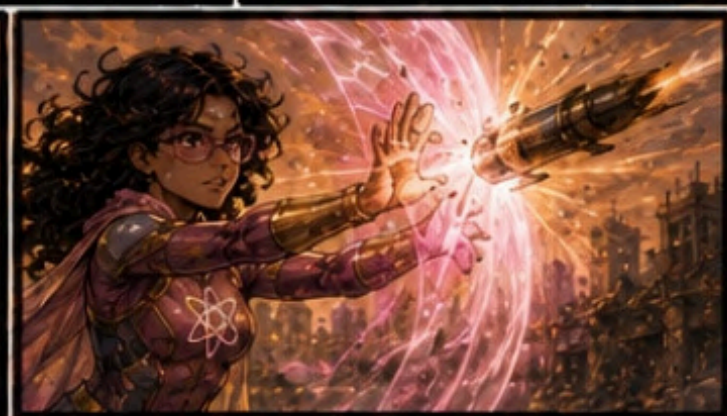

EPISODE-3

TANK BAIT

LONG TIME
SINCE I'VE SEEN
THAT FACE,
ALPHA.

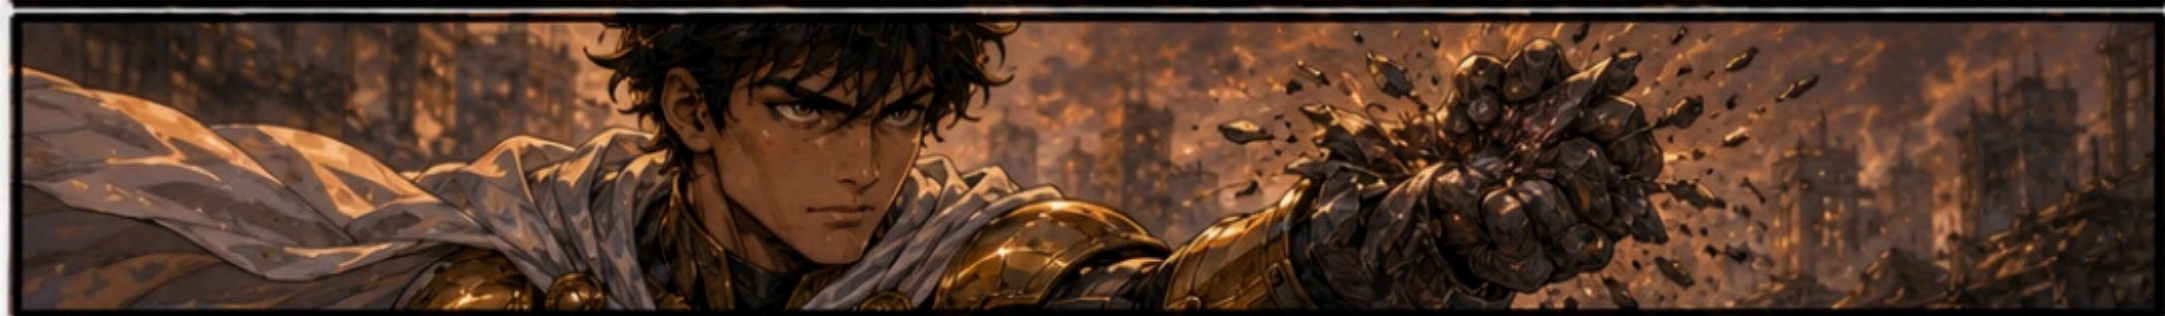

BUT EVENTUALLY,
I HATED THAT FACE
TO THE CORE.
SO NOW... LET ME
SEE IT FOR ONE
LAST TIME.

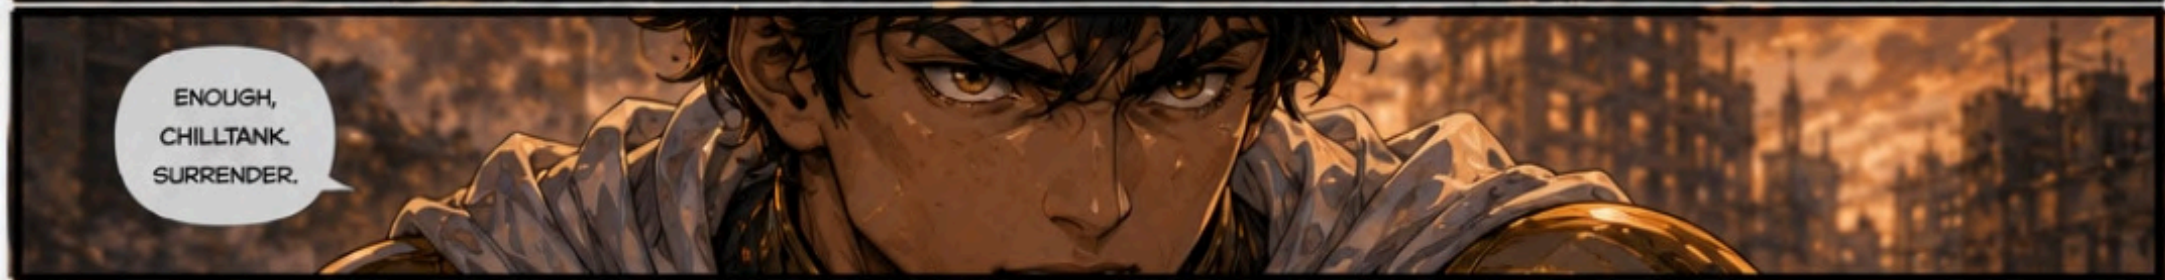

SORRY!
SORRY! I'LL
FIX THIS!

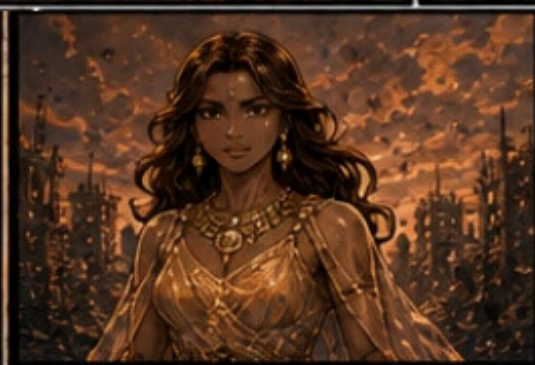

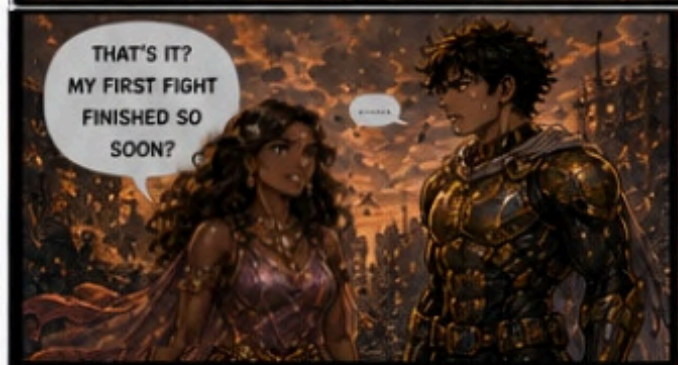

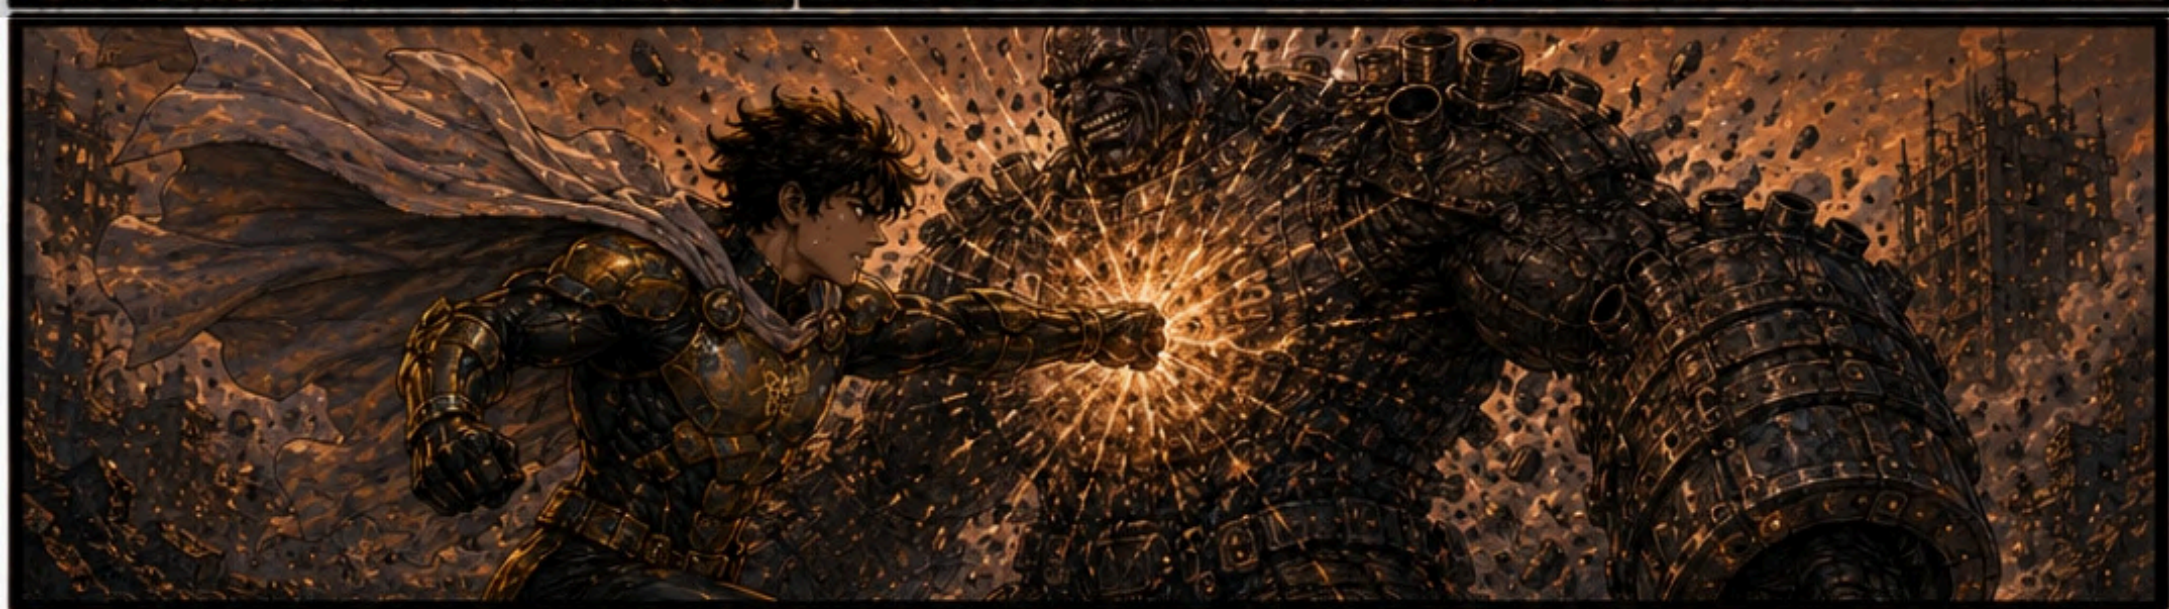

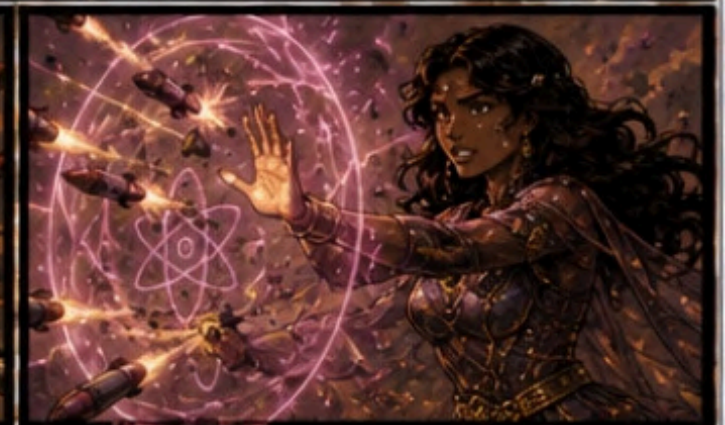

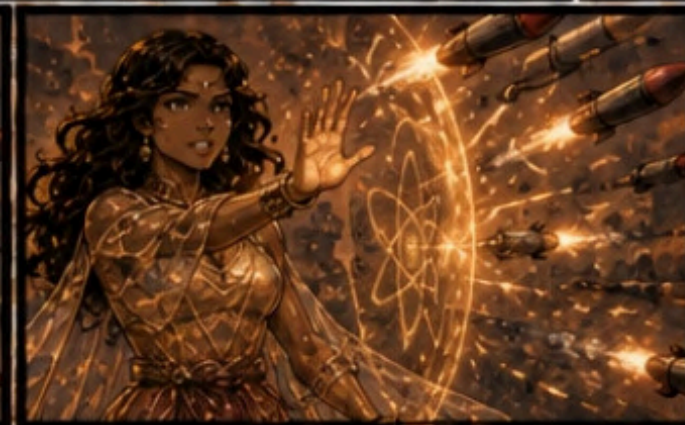

THIS ISN'T REVENGE,
CHILLTANK.
WE NEED TO TALK.

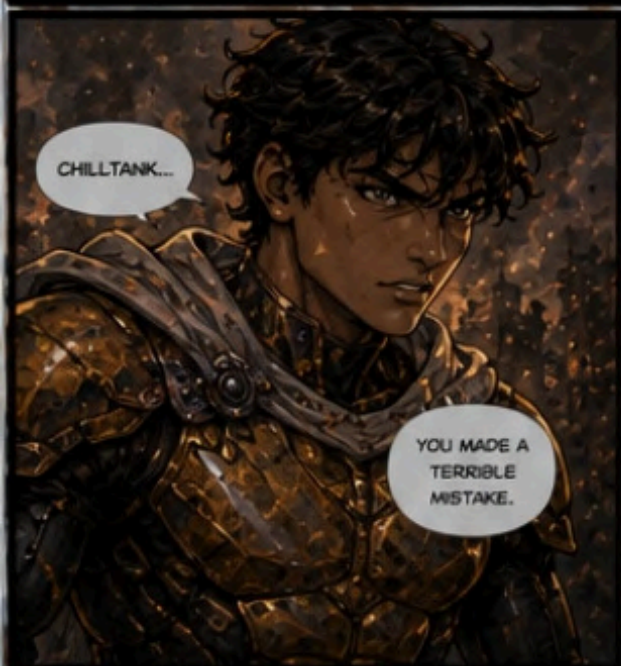

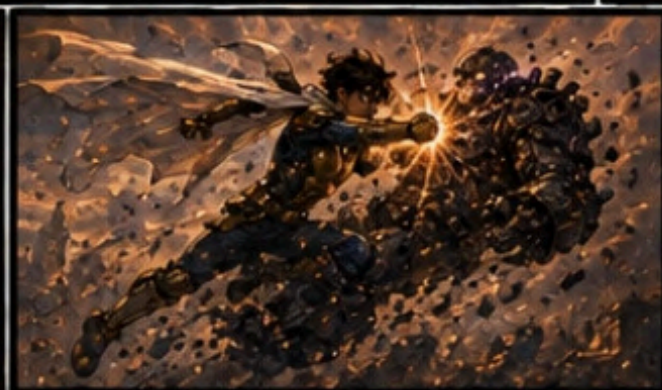

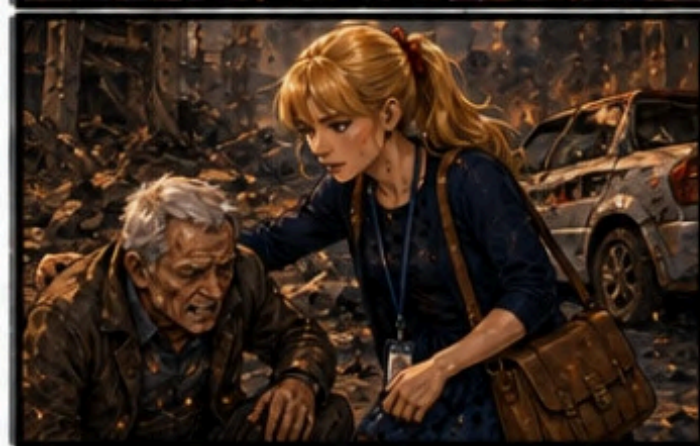

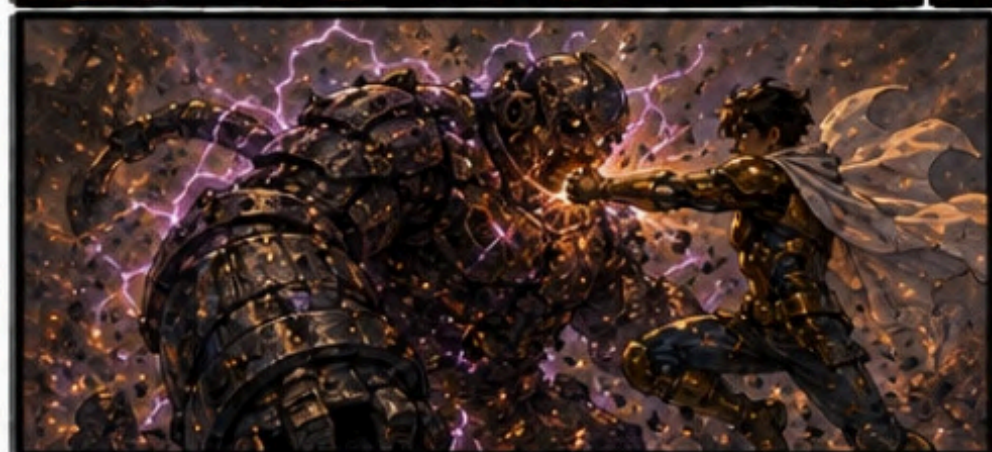

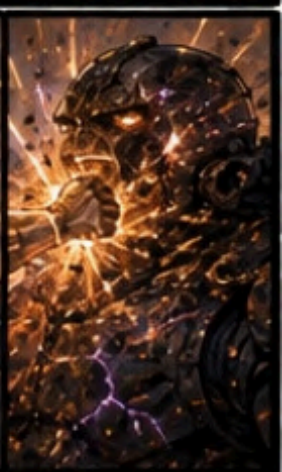

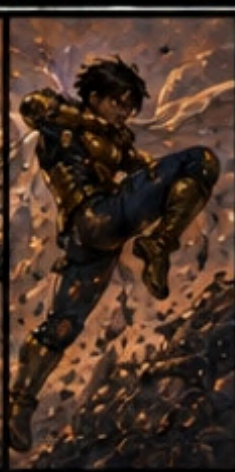

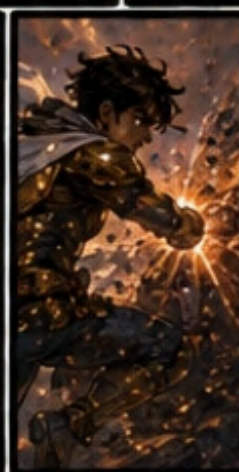

ENOUGH,
CHILLTANK.
SURRENDER.

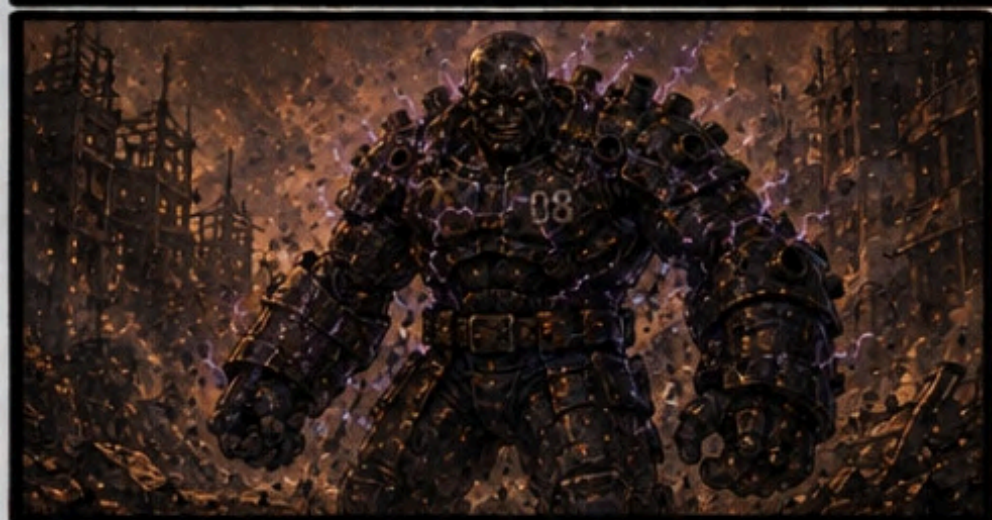

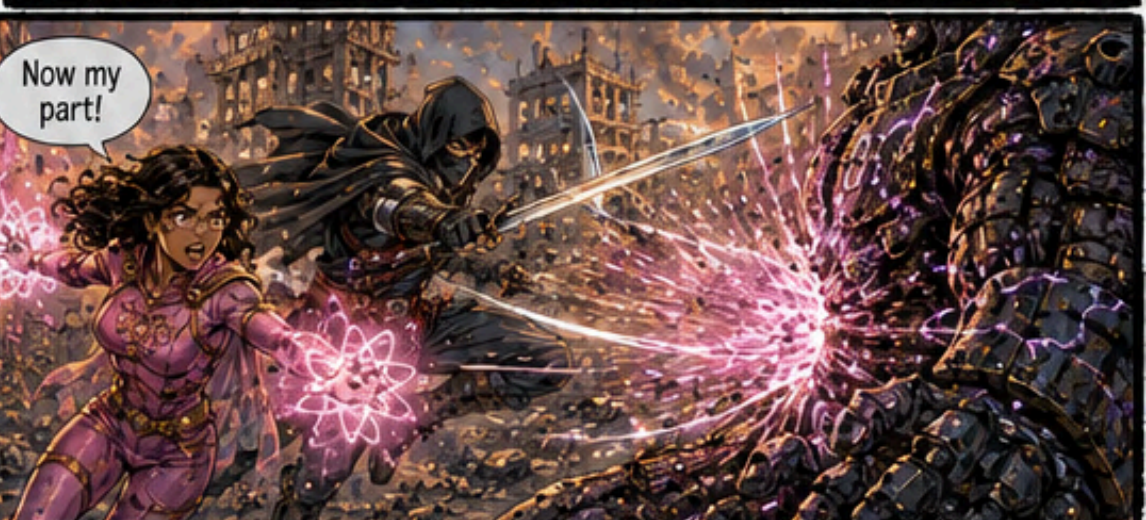

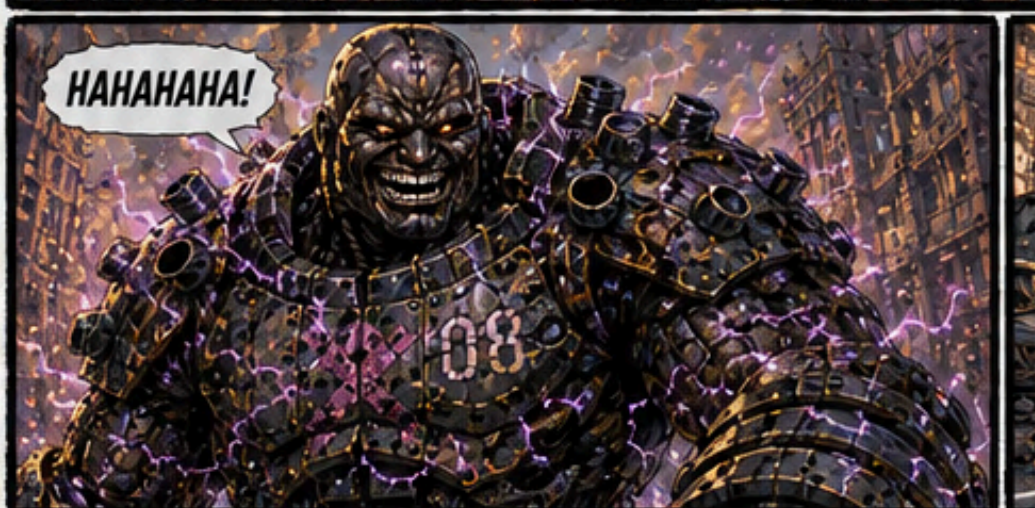

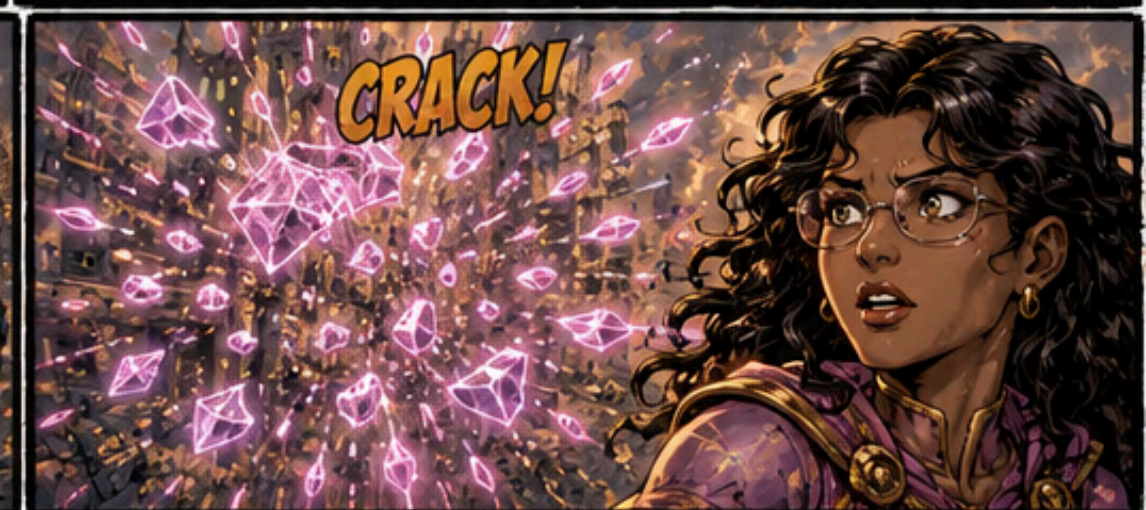

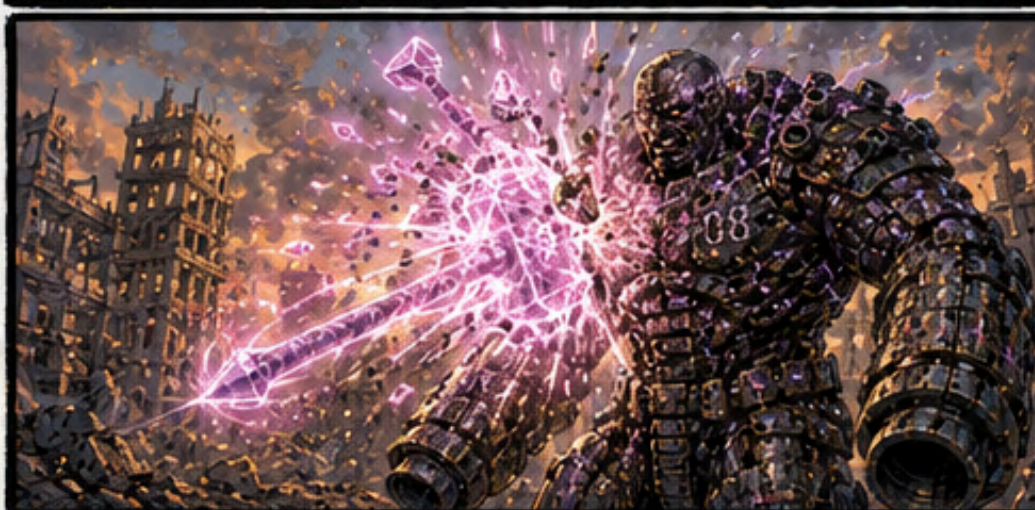

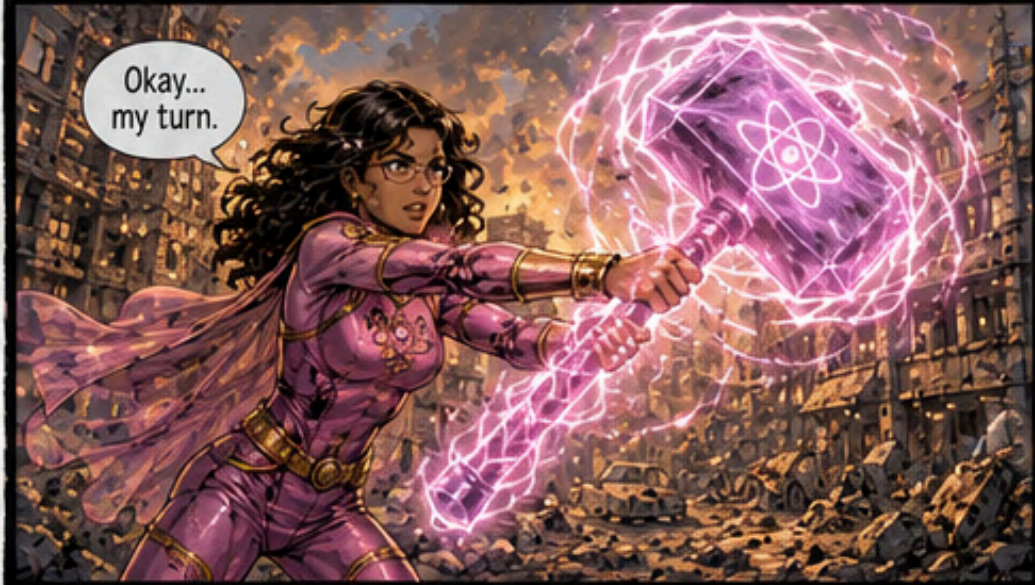

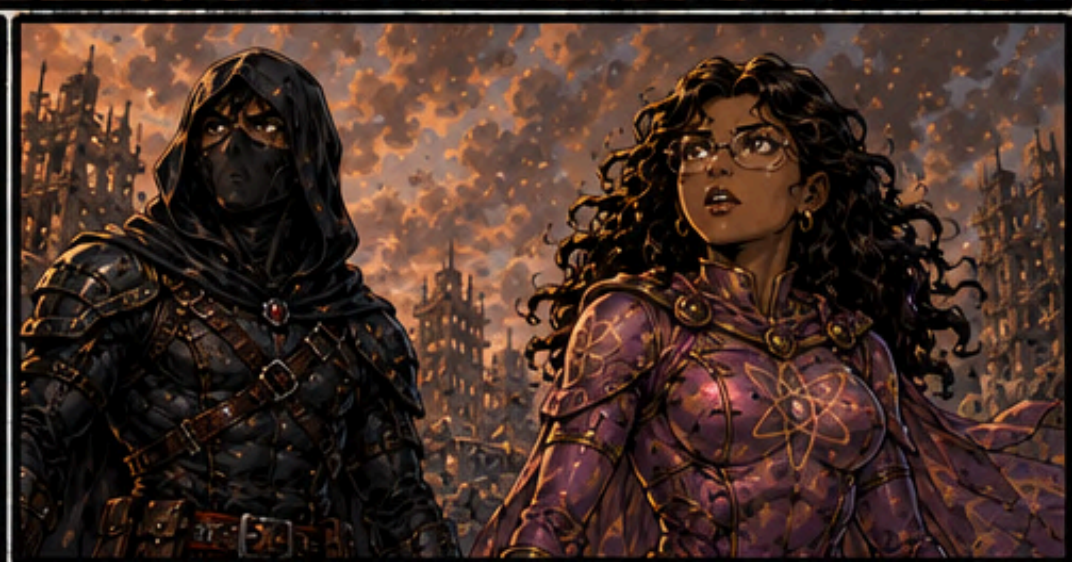

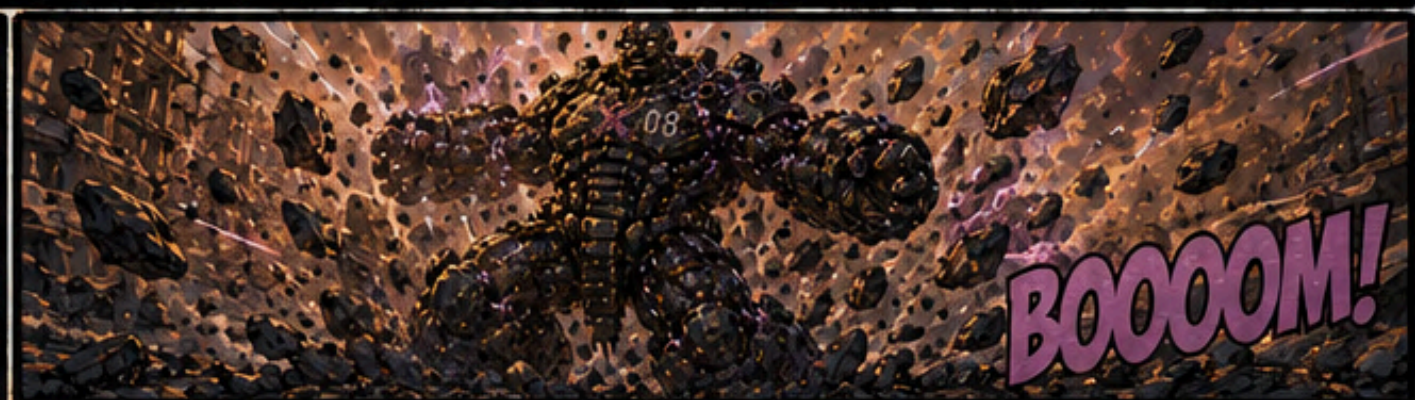

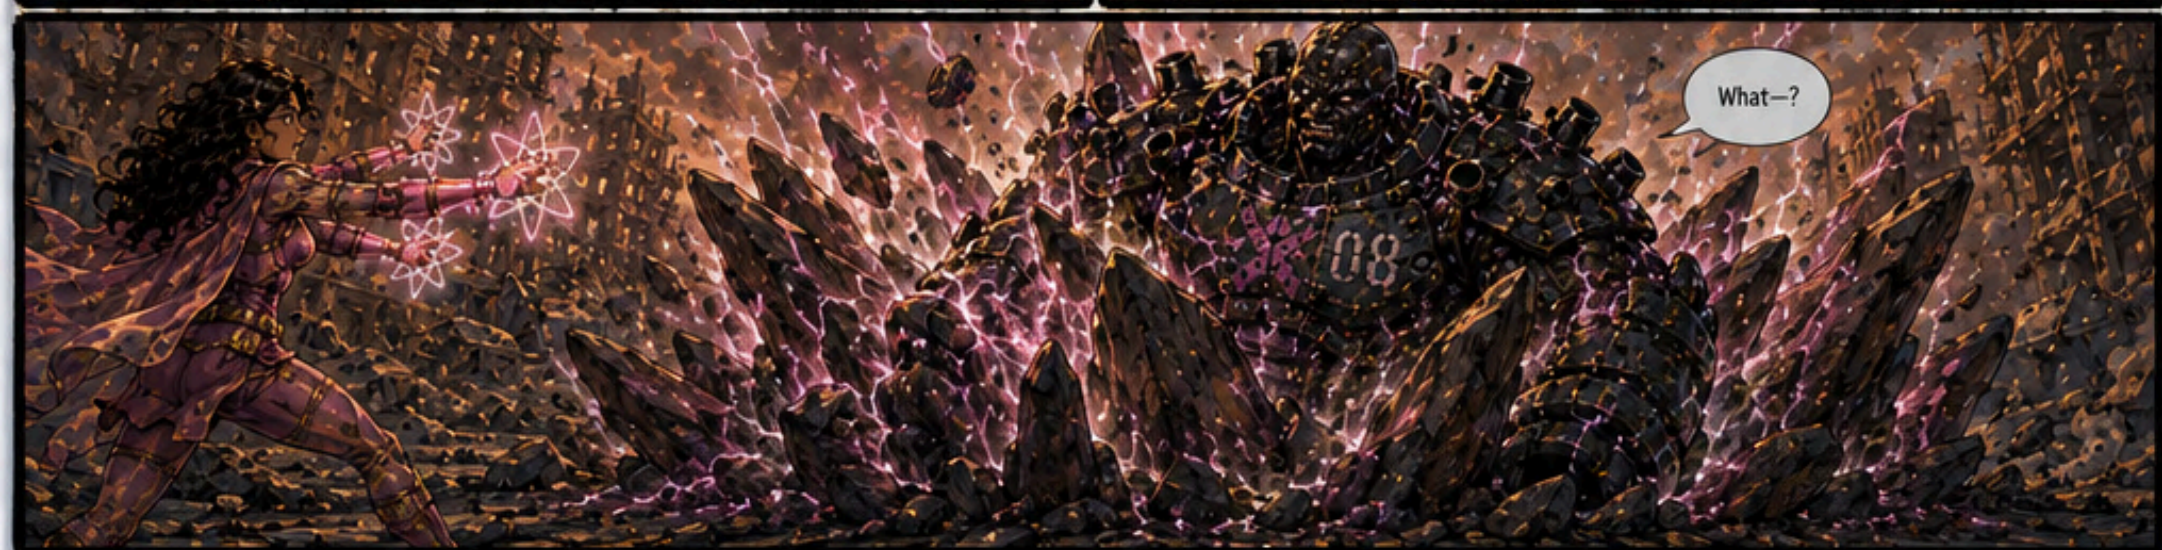

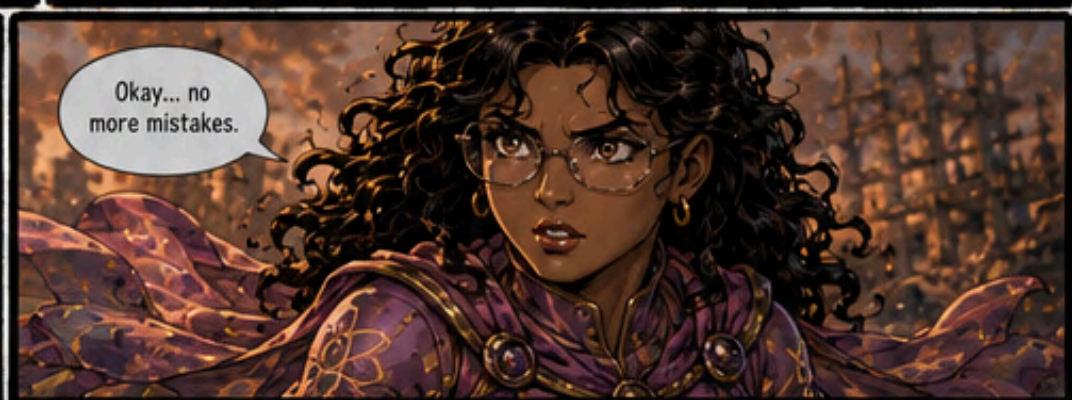

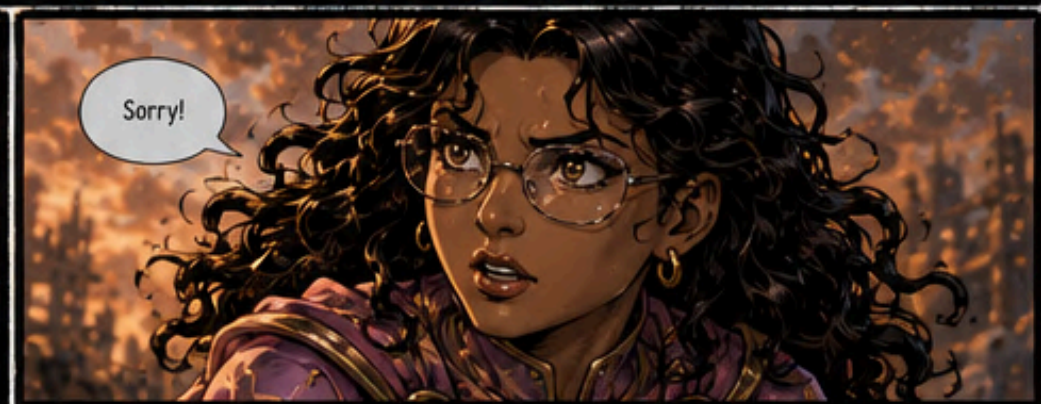

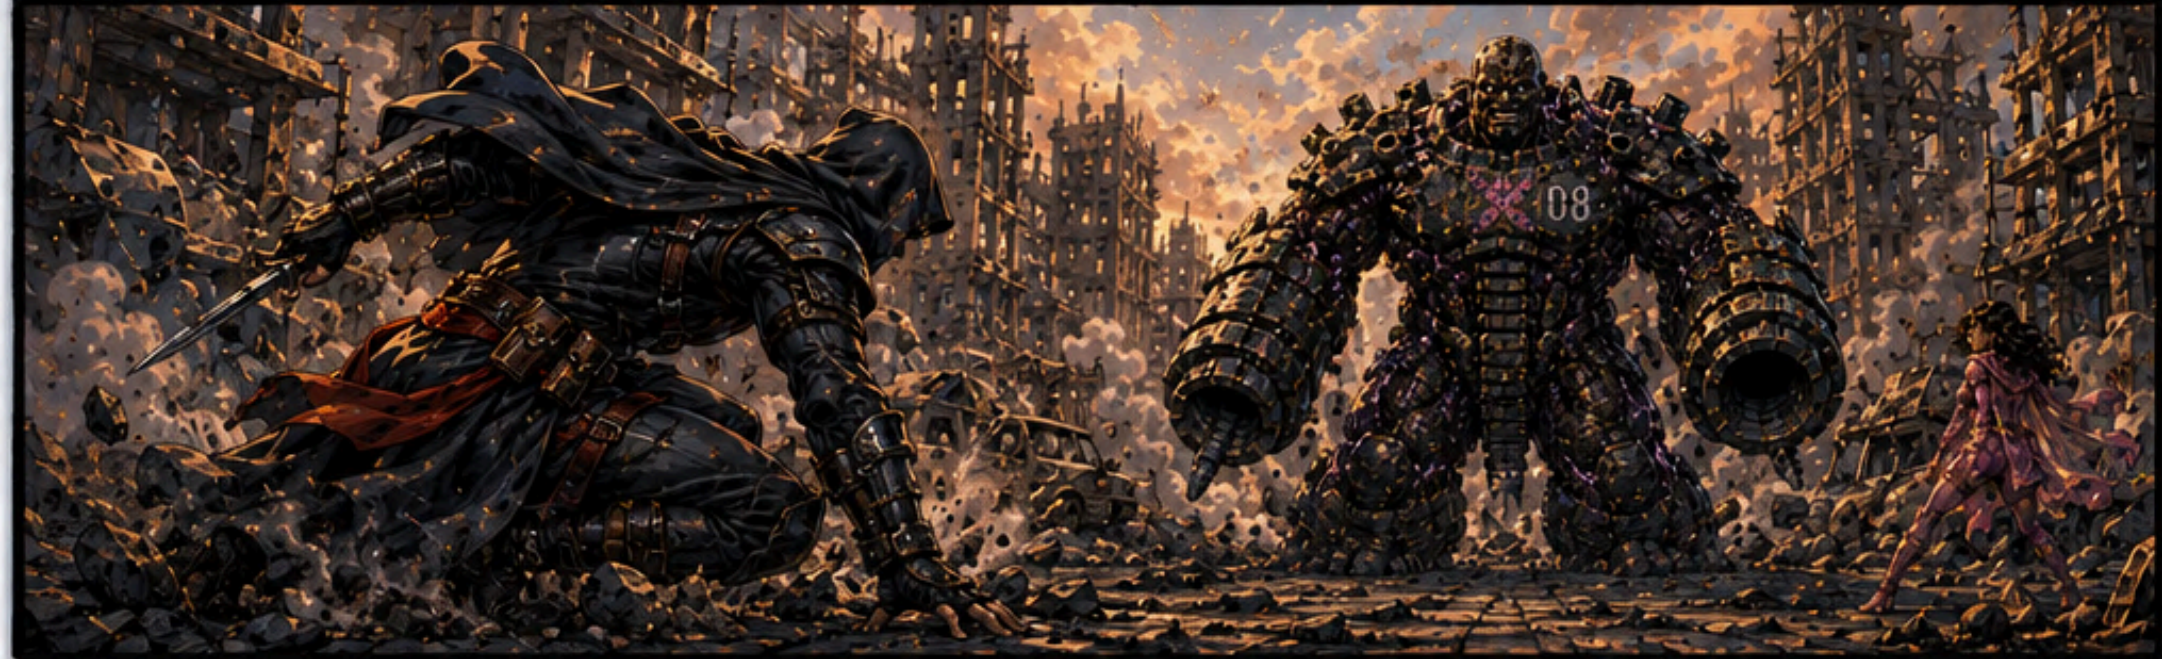

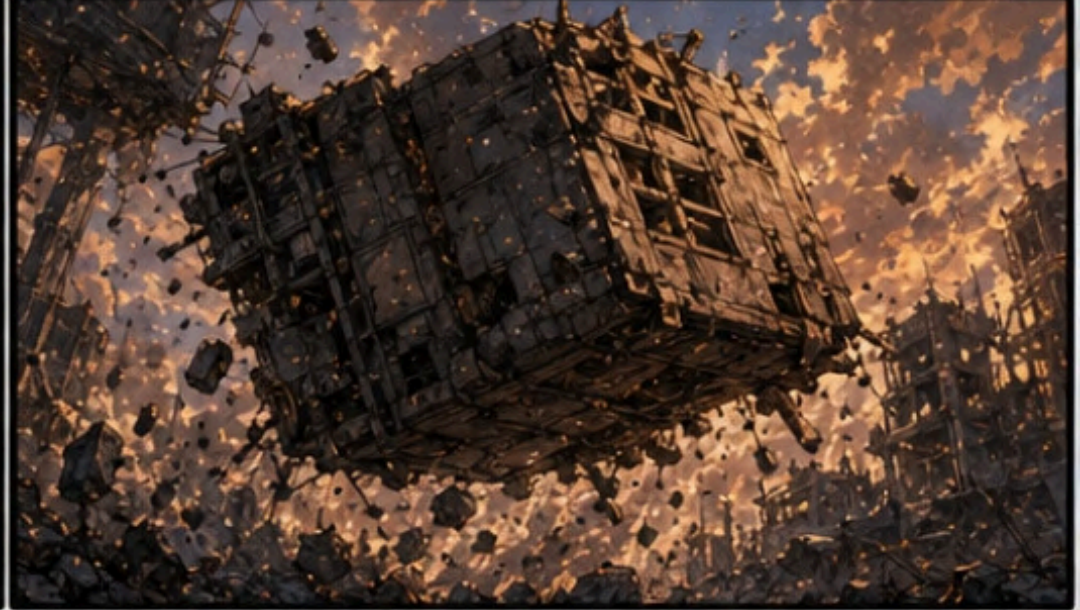

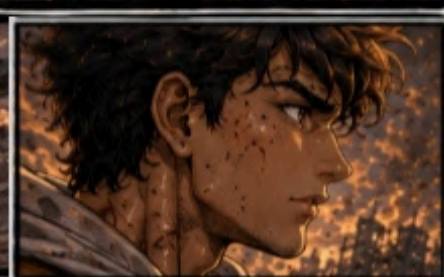

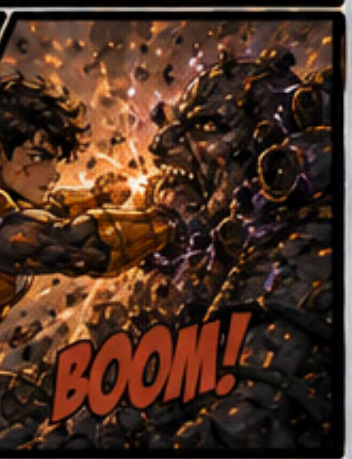

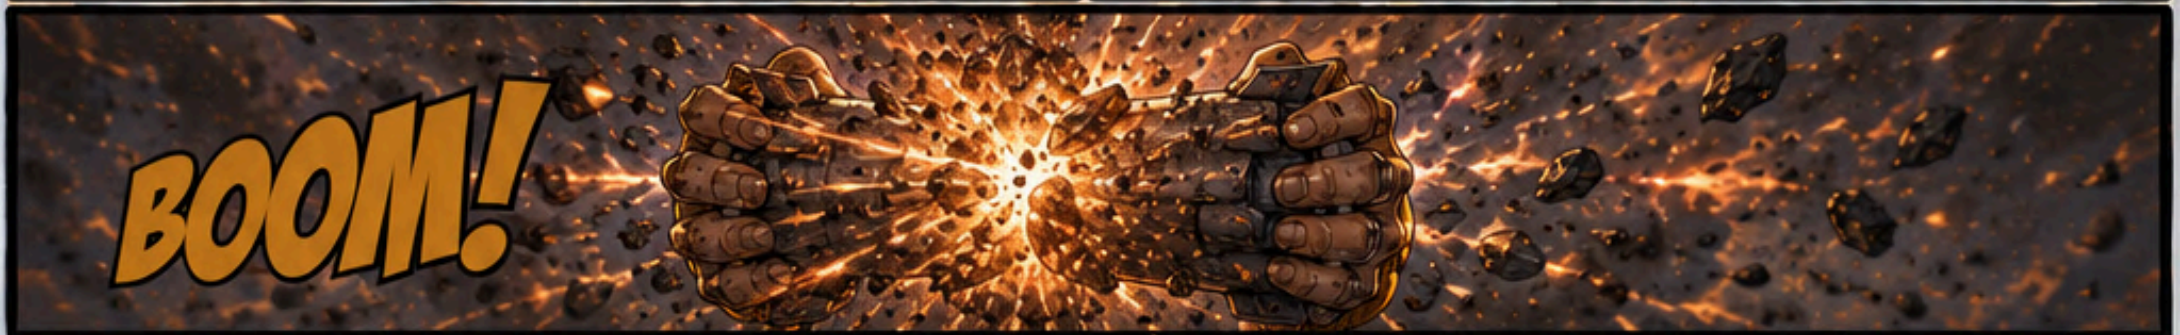

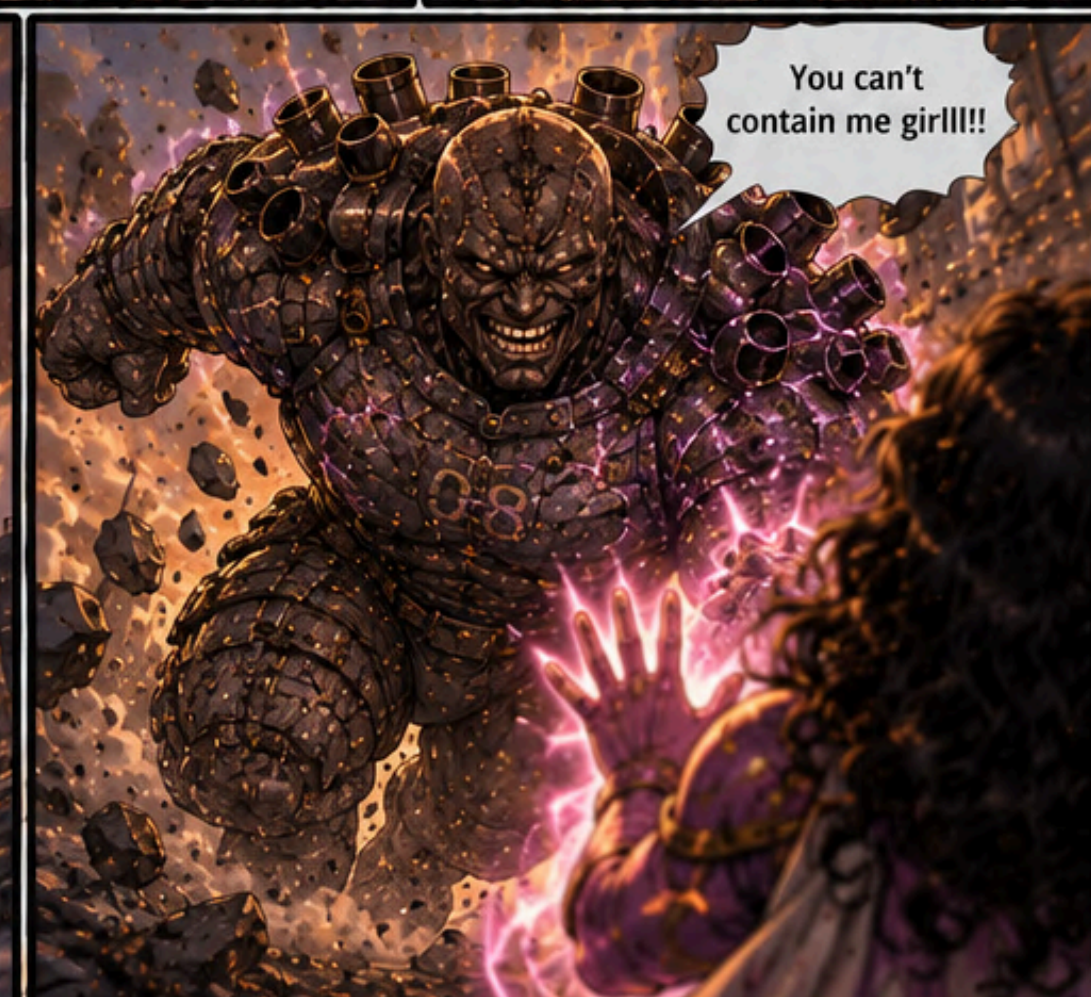

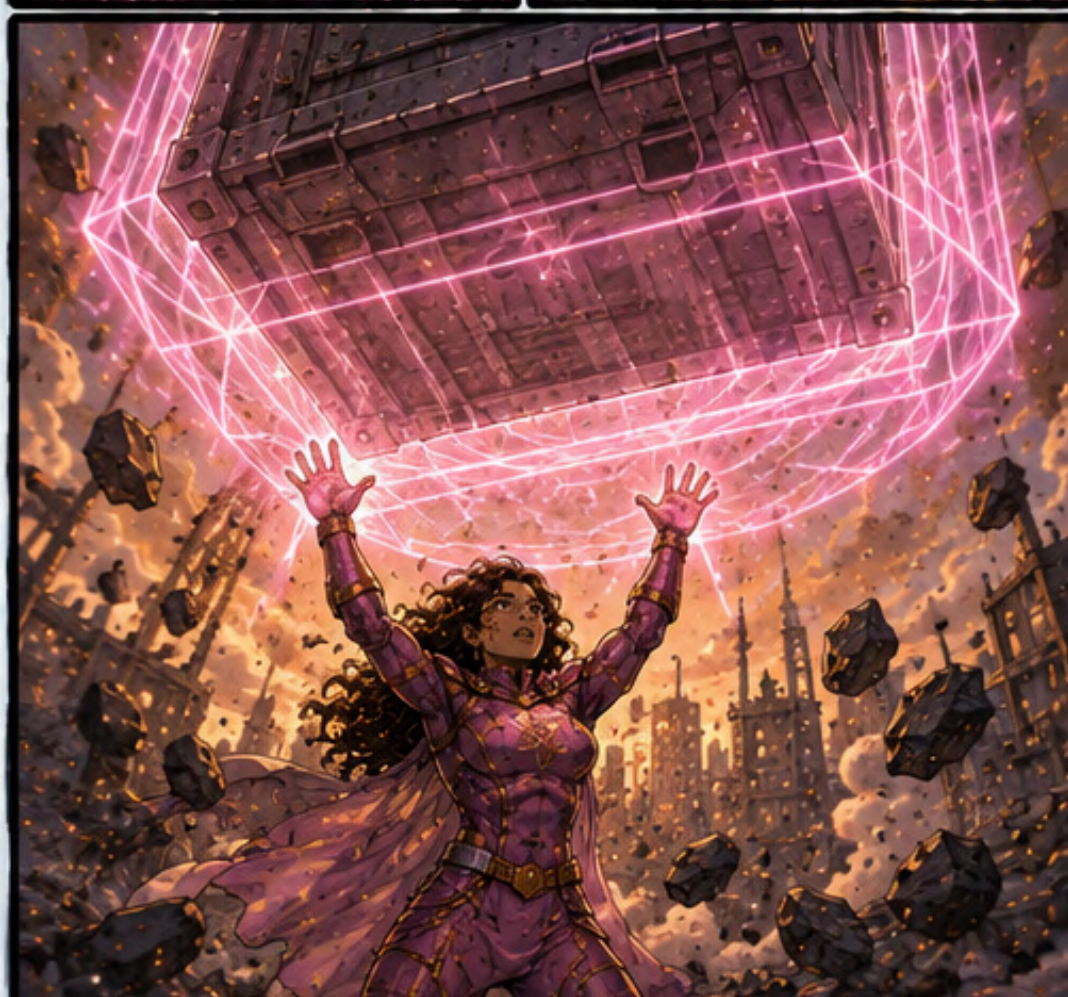

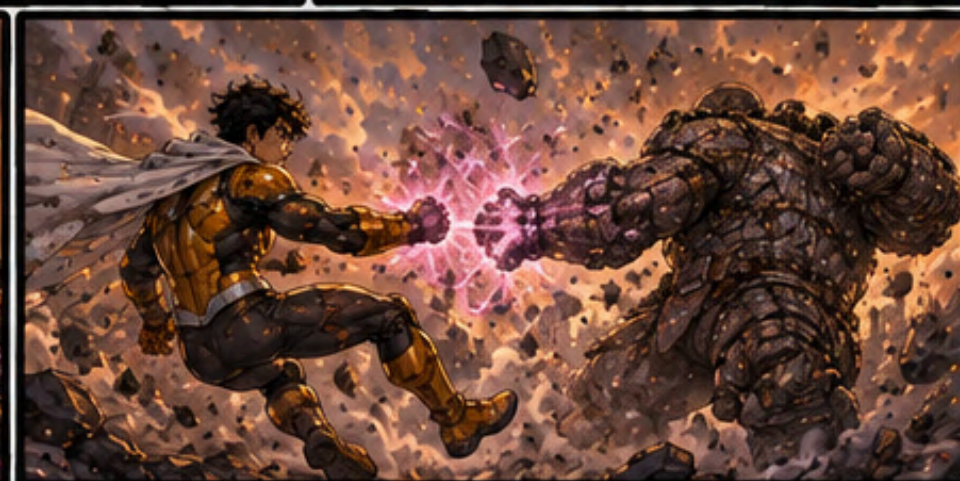

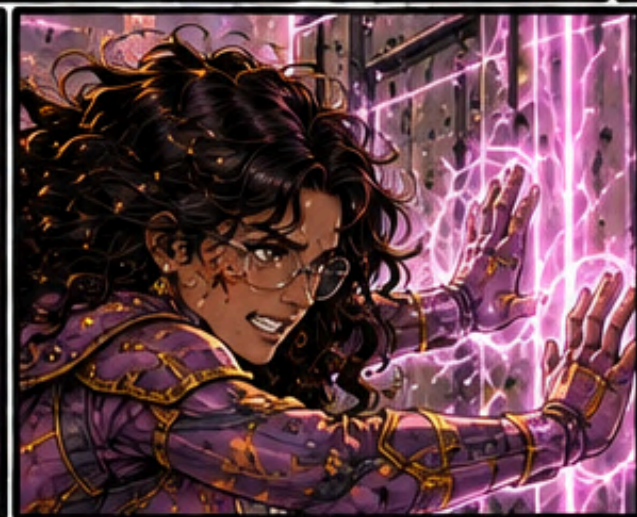

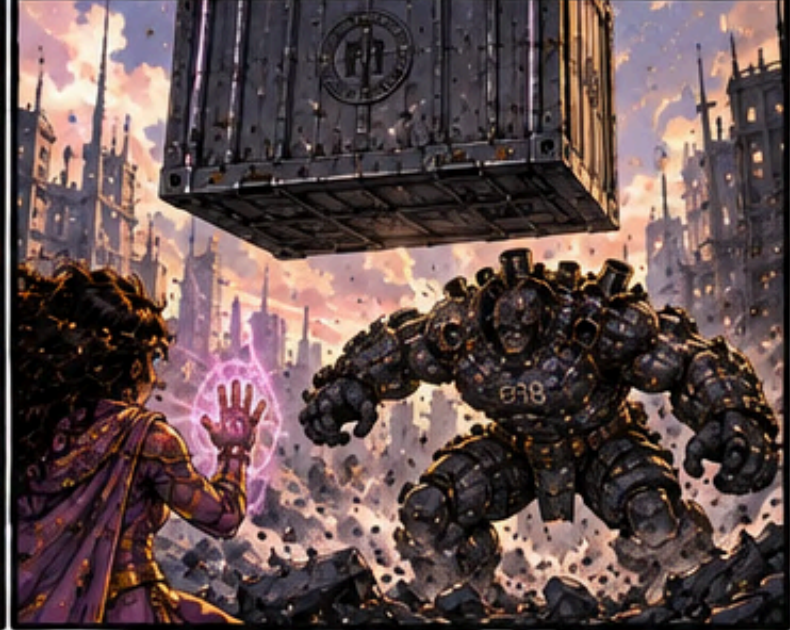

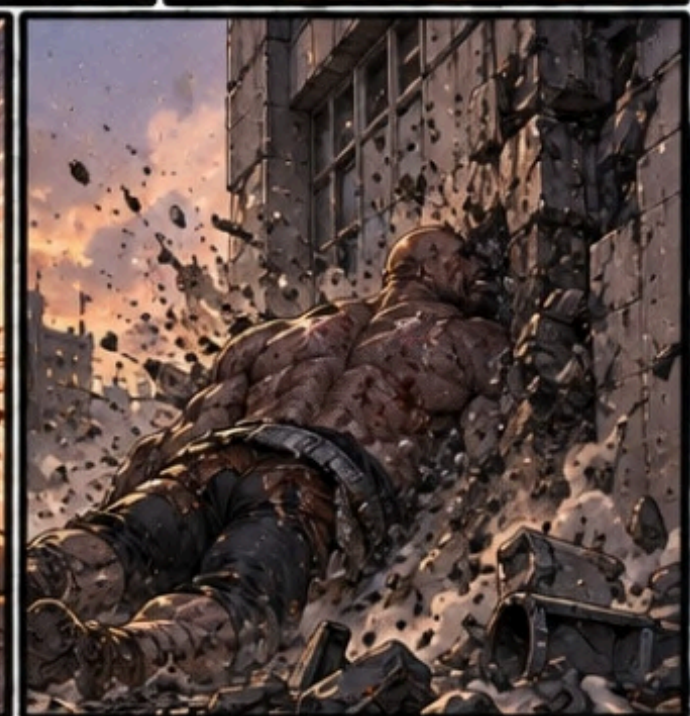

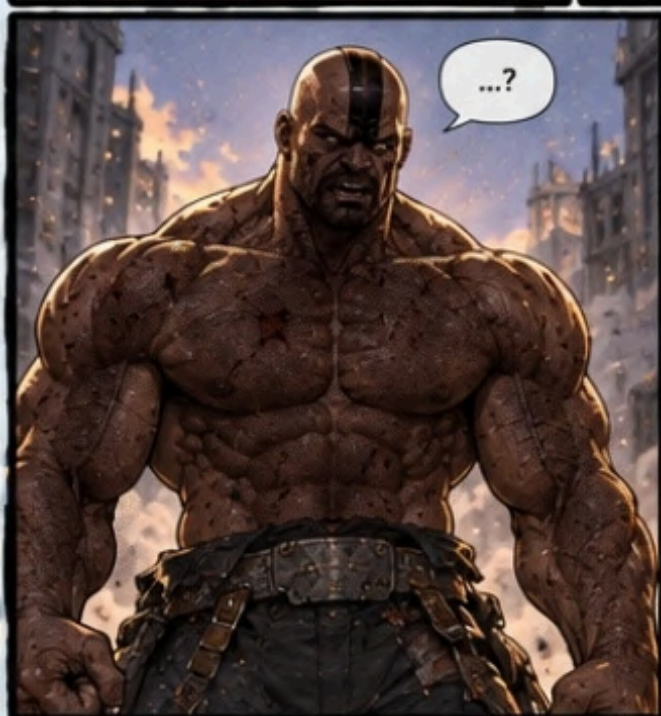

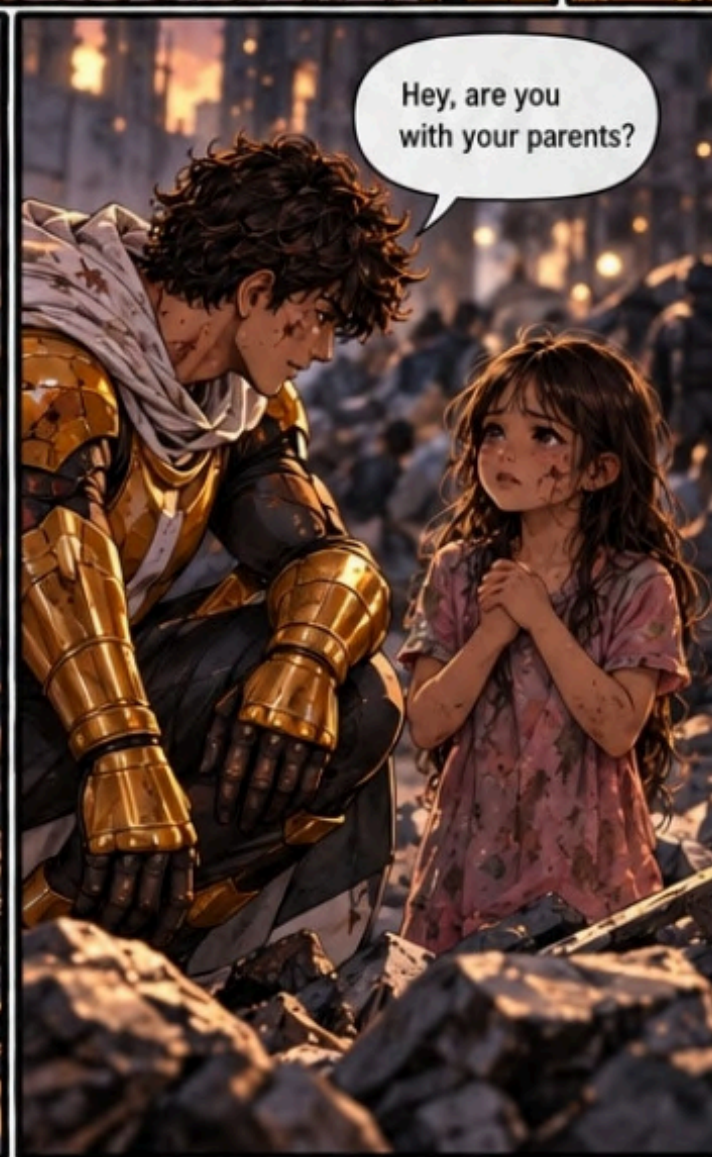

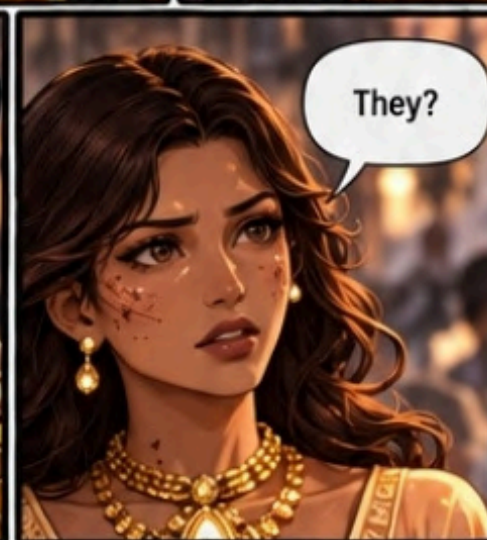

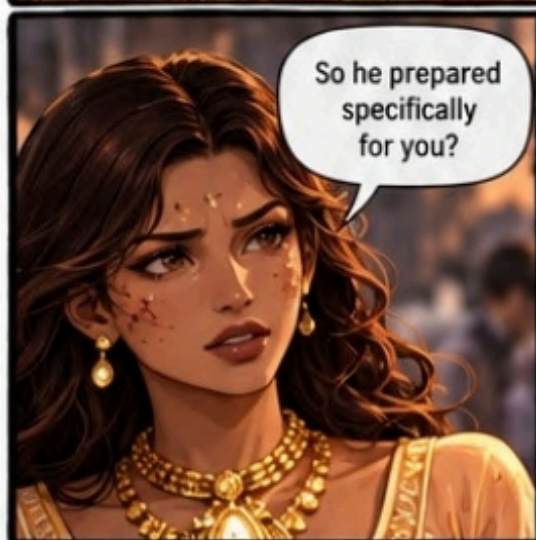

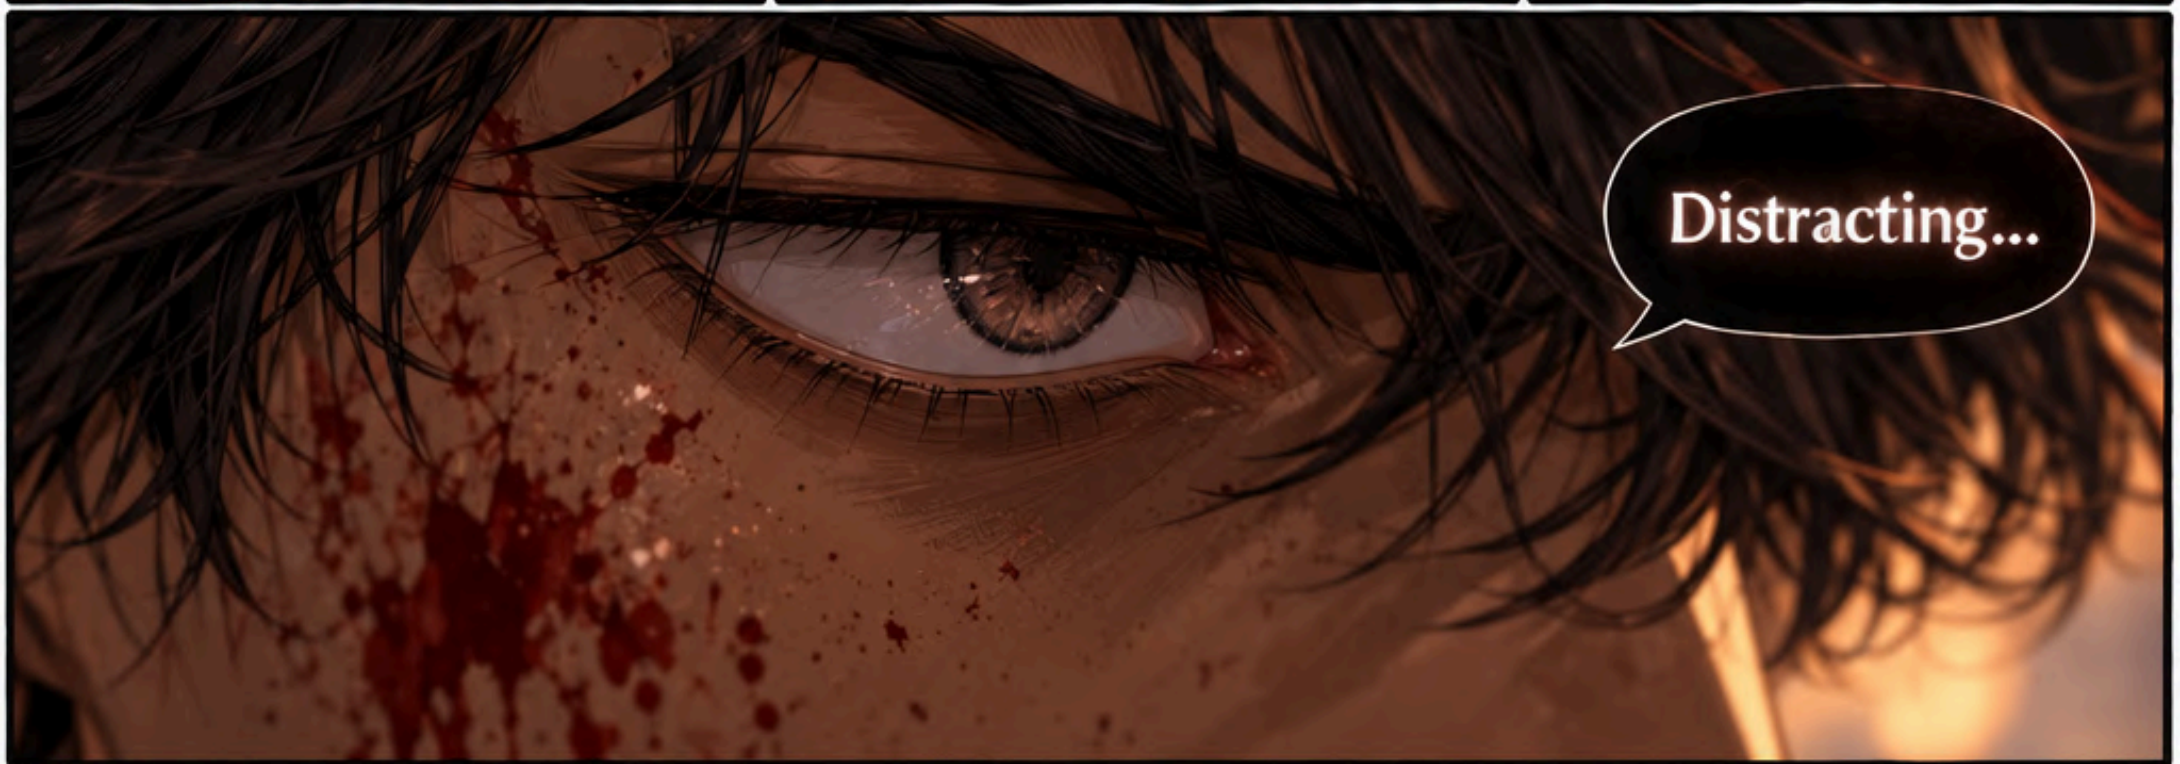

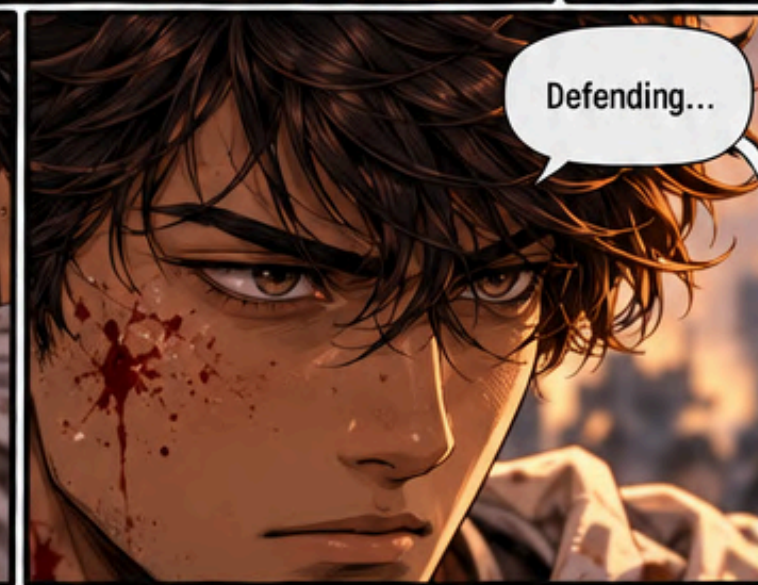

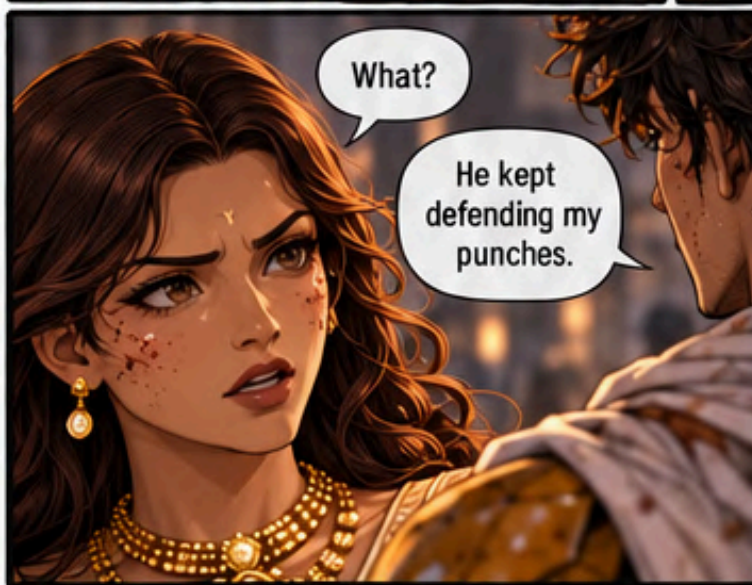

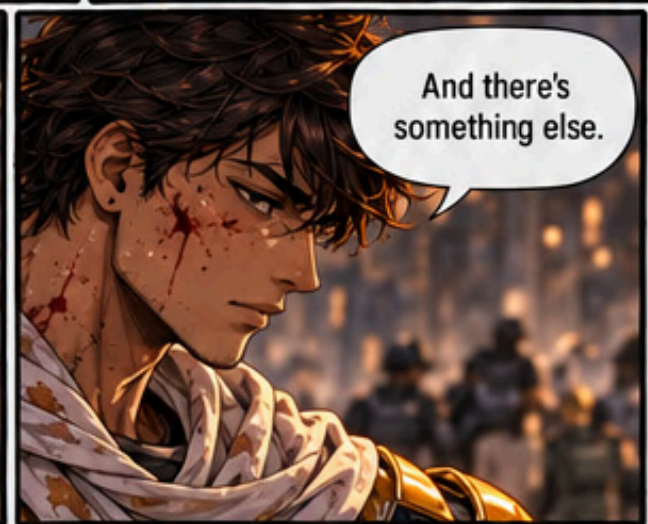

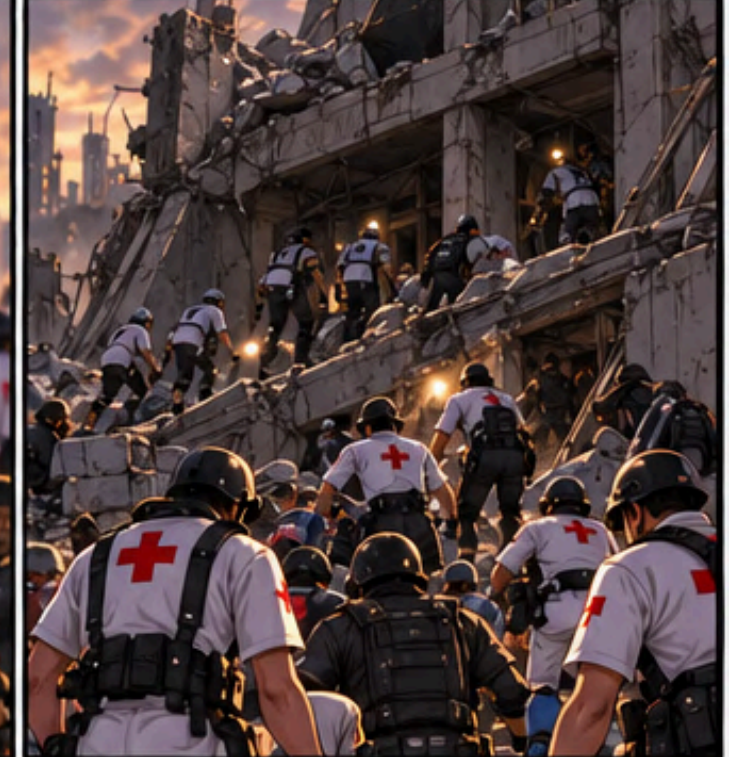

THE AFTERMATH

Rescue teams worked across the devastated city as civilians were brought to safety.

What do you mean, Alpha?

The decoy.

Glow Plug's attack.

Someone has been watching me throughout the fight.

And now Chilltank.

The same pattern. Something was connecting them.

GUARDIANS

GUARDIANS
SYNDICATE

Chilltank wasn't the threat.

He was the distraction.

In the shadows,
someone else moves.

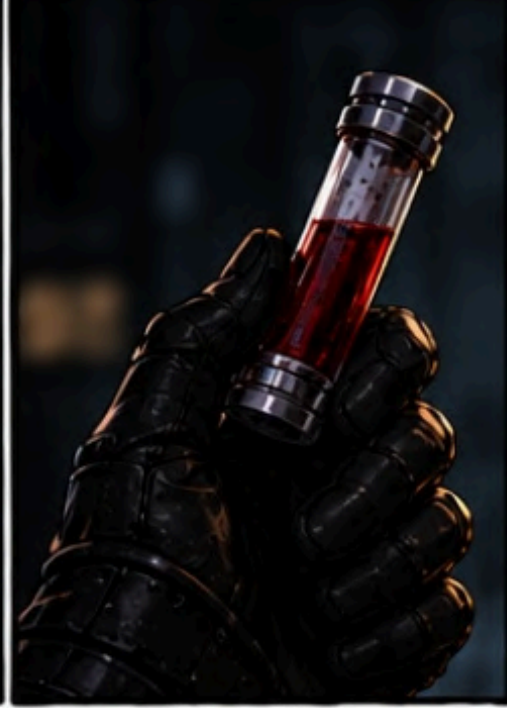

The same sniper
from the Glow Plug battle.

He walks toward
the dark alleys
around the corner.

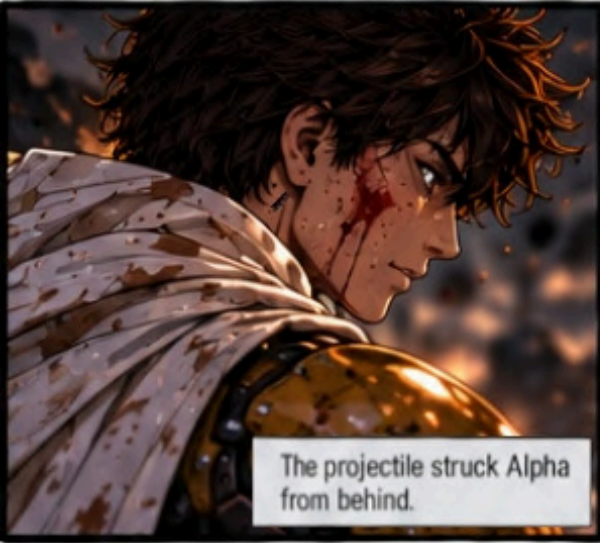

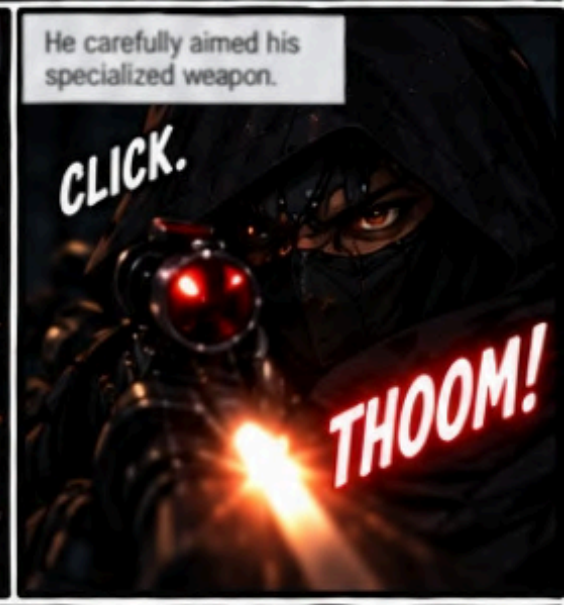

YOU'RE NOT
AS HIDDEN AS
YOU THINK.

THE REAL GAME
IS STILL ONGOING.

Far beyond the city's lights, the sniper entered Dark City once again.

In the middle of the battle, Chilltank raised both hands. A thunderous kinetic shockwave exploded across the battlefield.

The projectile struck Alpha from behind.
