

**VOLUME-1**  
**EPISODE-6**  
**THE KNOT**

The next morning.

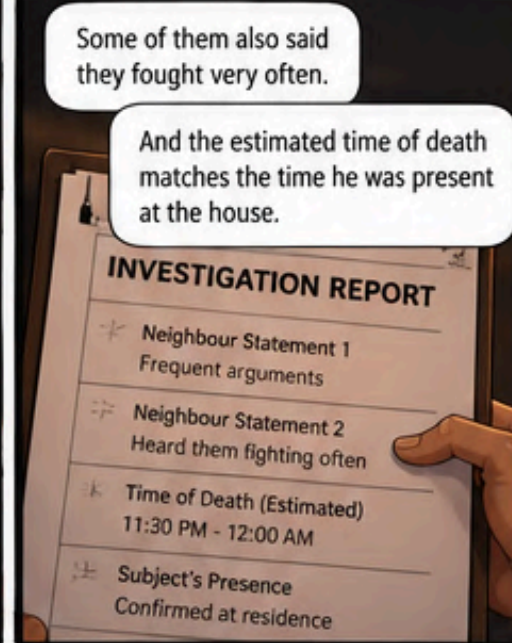

He's a Guardian.  
You know that.

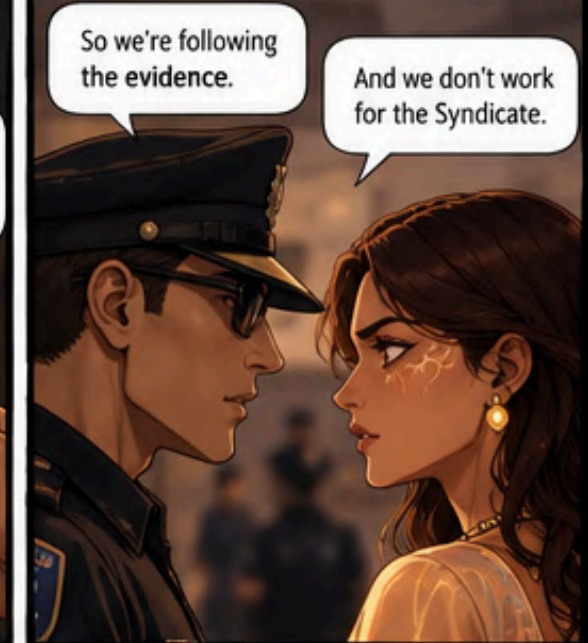

That's not the only reason.

We questioned  
the neighbours.  
They told us he and  
the victim had a fight  
yesterday morning.

Some of them also said  
they fought very often.

And the estimated time of death  
matches the time he was present  
at the house.

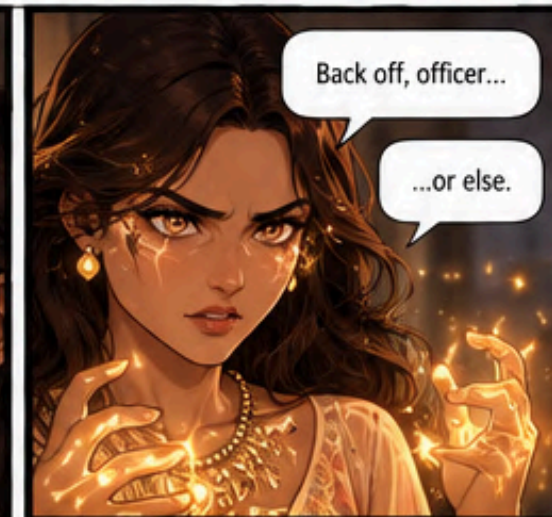

So we're following  
the evidence.

And we don't work  
for the Syndicate.

We work  
for the law.

Back off, officer...

...or else.

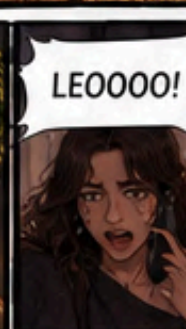

Kat?

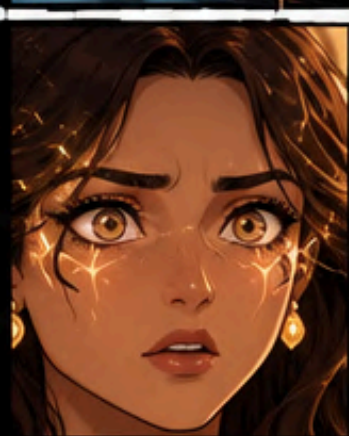

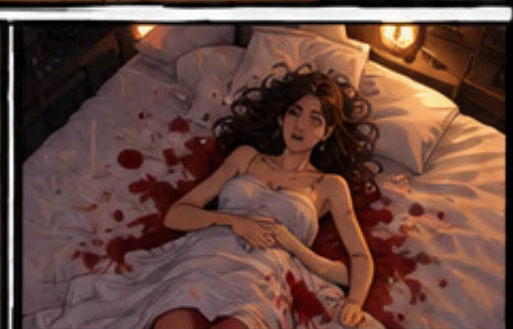

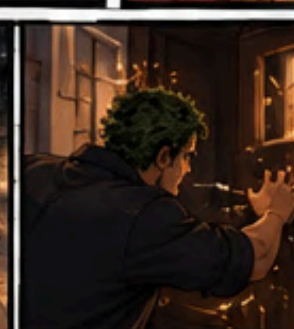

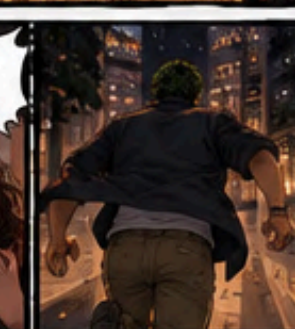

Let him do his job, Kat.

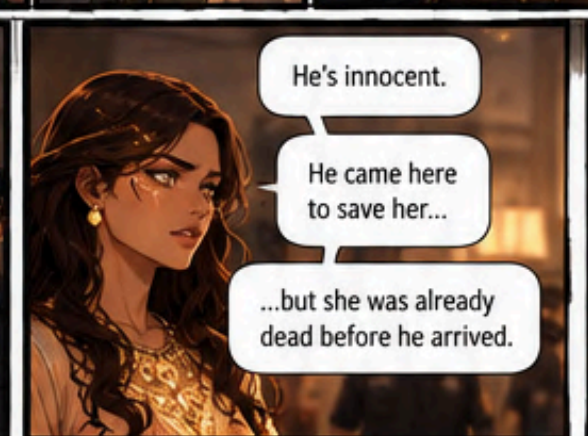

We can deal with  
this legally.

LEOOOO!

He doesn't know  
anything.

He's innocent.

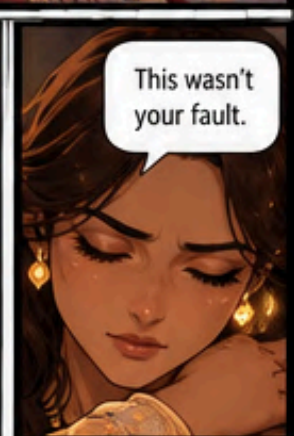

He came here  
to save her...

...but she was already  
dead before he arrived.

I'm the reason  
this happened, Kat...

I shouldn't have  
fought with her.

This wasn't  
your fault.

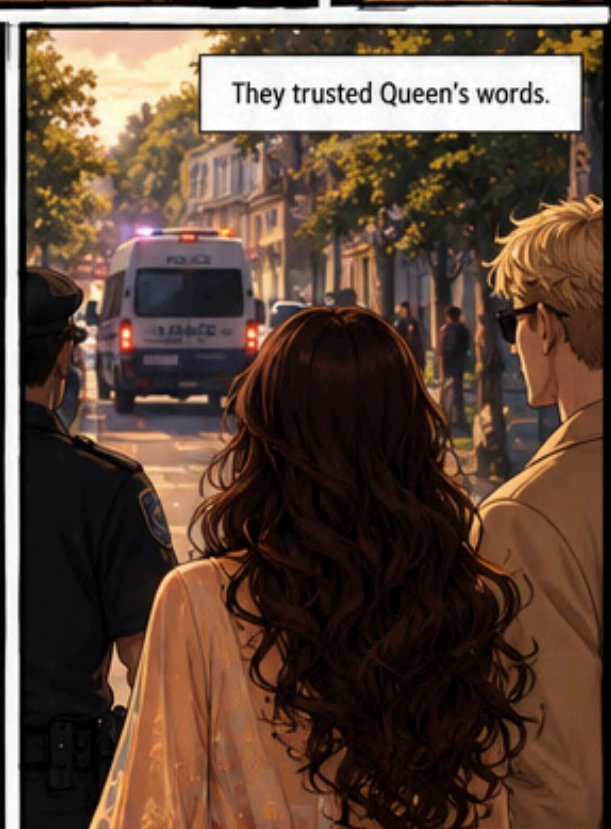

I'm taking him.

We'll handle this  
through the law.

...

Alright.

They trusted Queen's words.

Eastbound to Ashton.

Come on, girl.

We've got a lot to show you.

Where are we going?

To the new Mutant Teen team center!

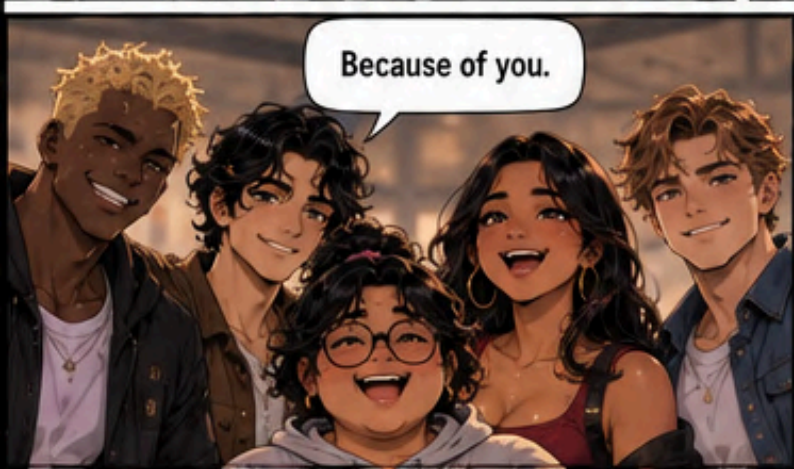

A new one?

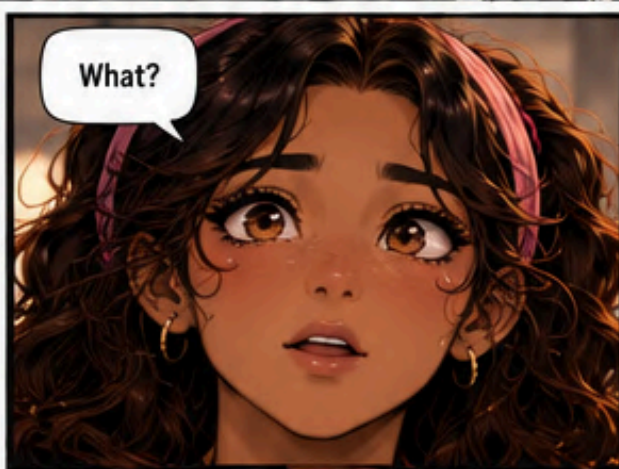

**YEAHHHH!**

Are you kidding me?

Because of you.

What?

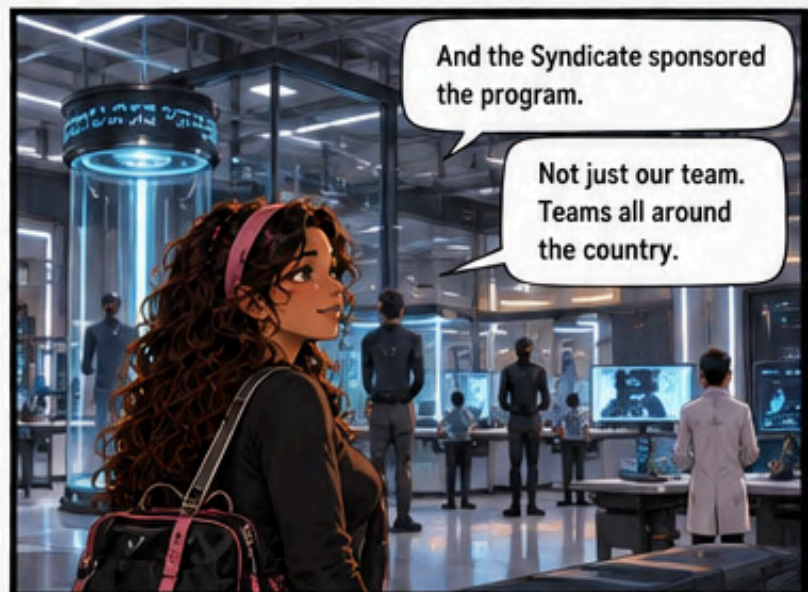

When you got selected for the Guardians, Mr Alpha and Mrs Queen introduced a new protocol.

They wanted teenage superhero teams across the country to have better facilities and more support.

They trusted us with the future.

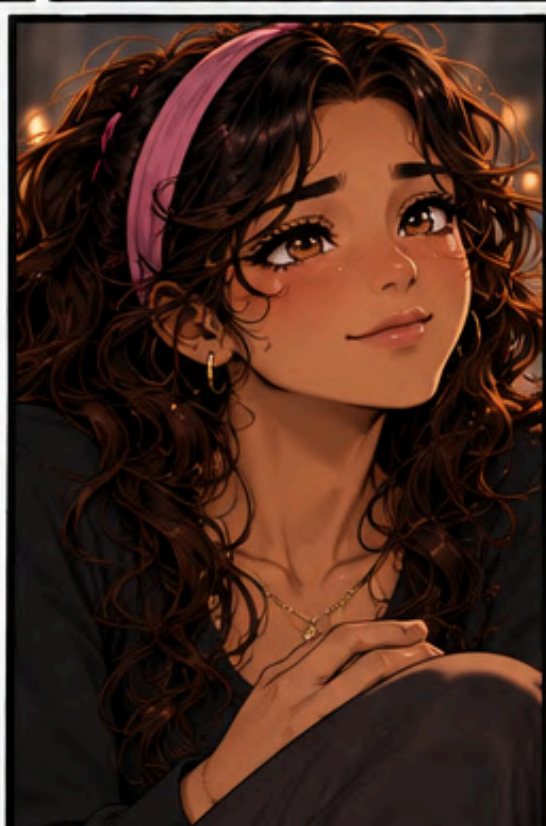

And the Syndicate sponsored the program.

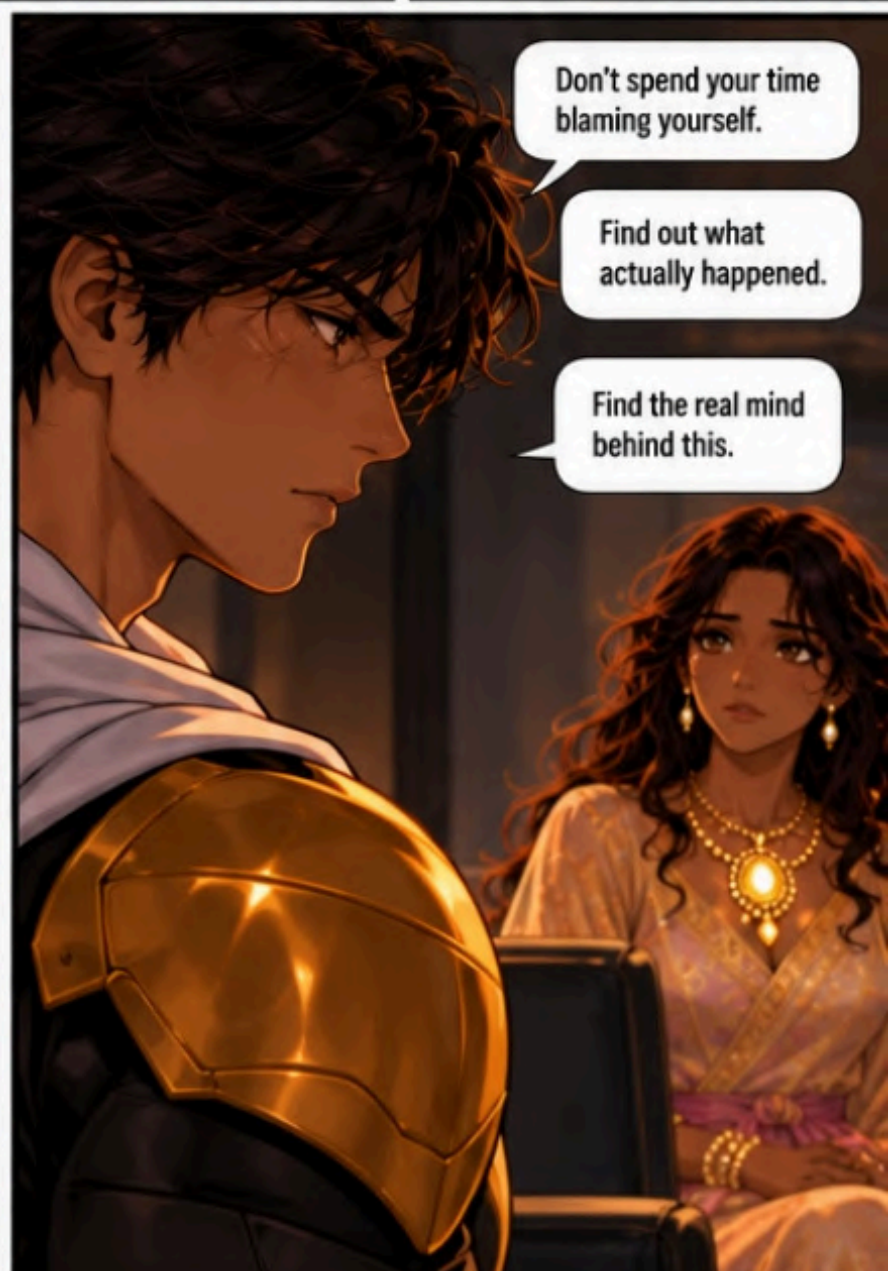

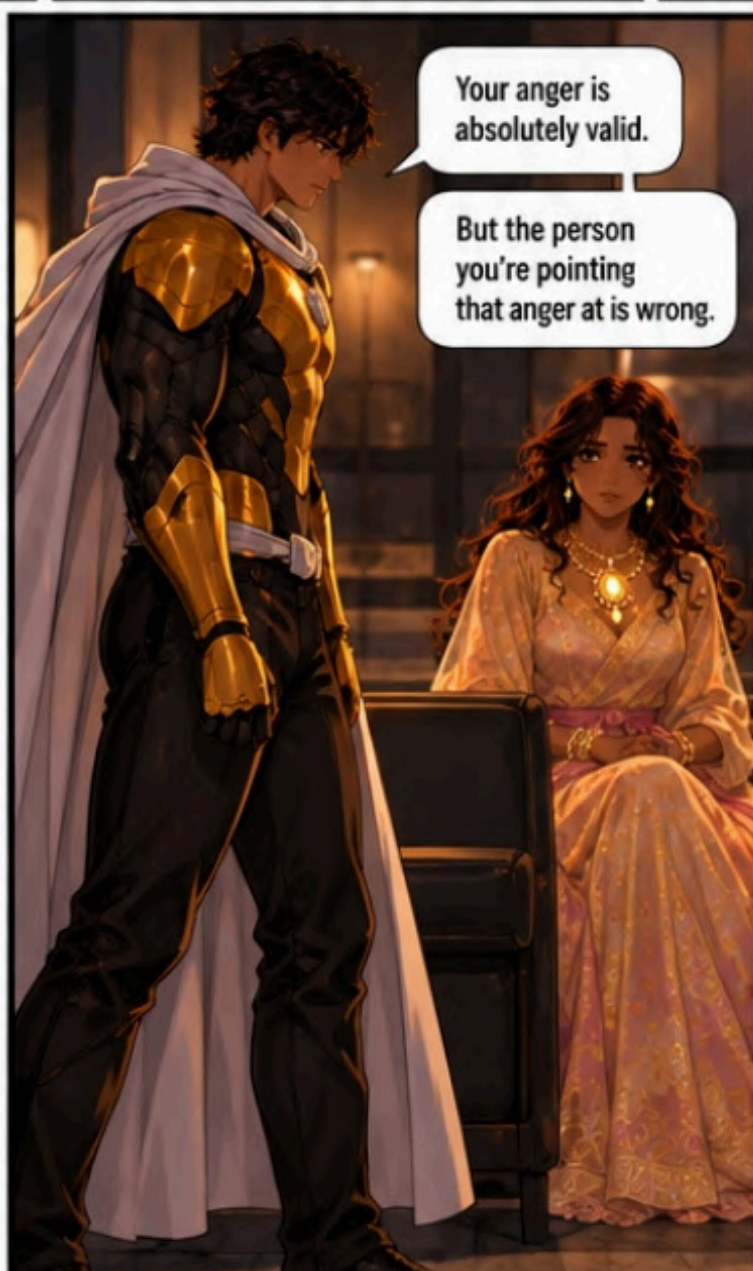

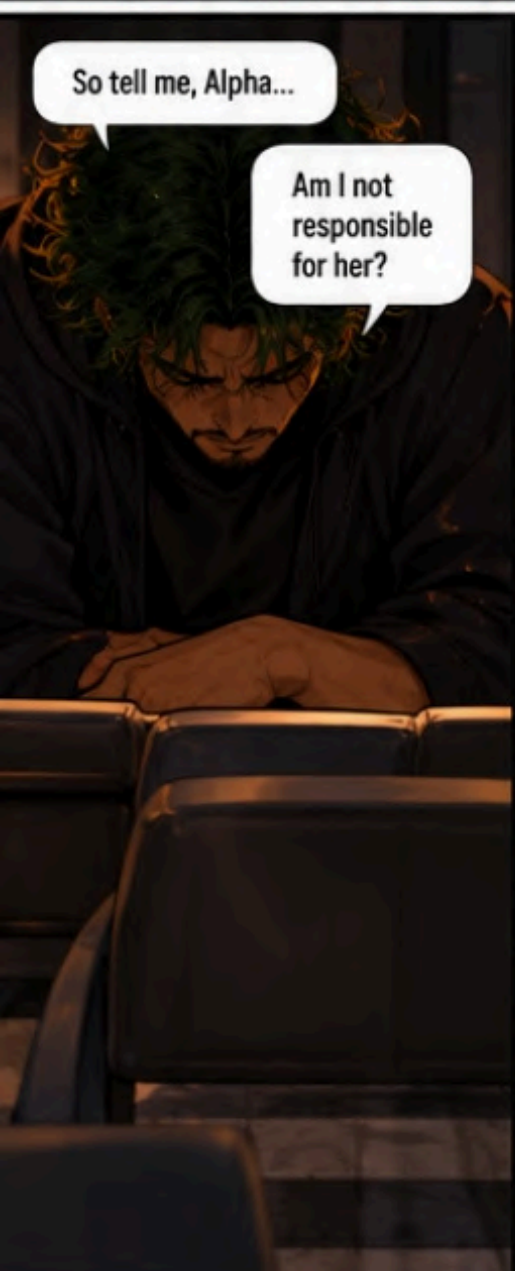

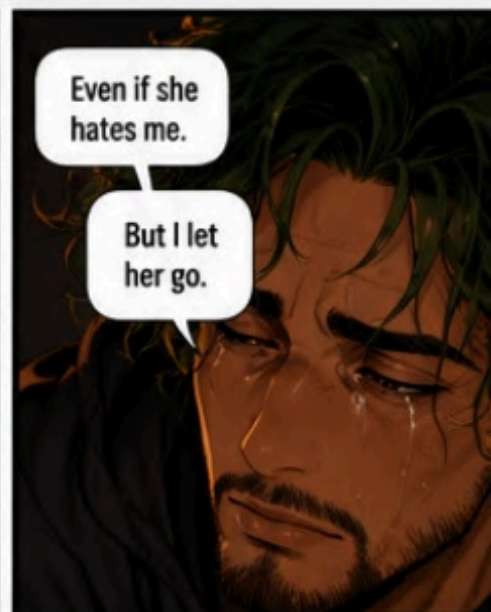

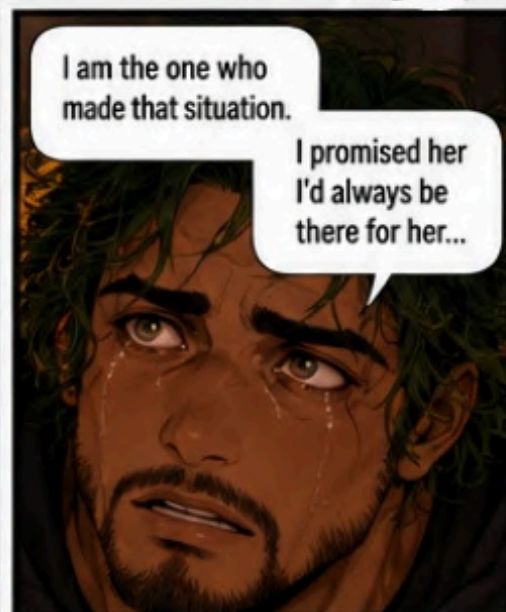

Not just our team. Teams all around the country.

All because someone from this little town reached that height.

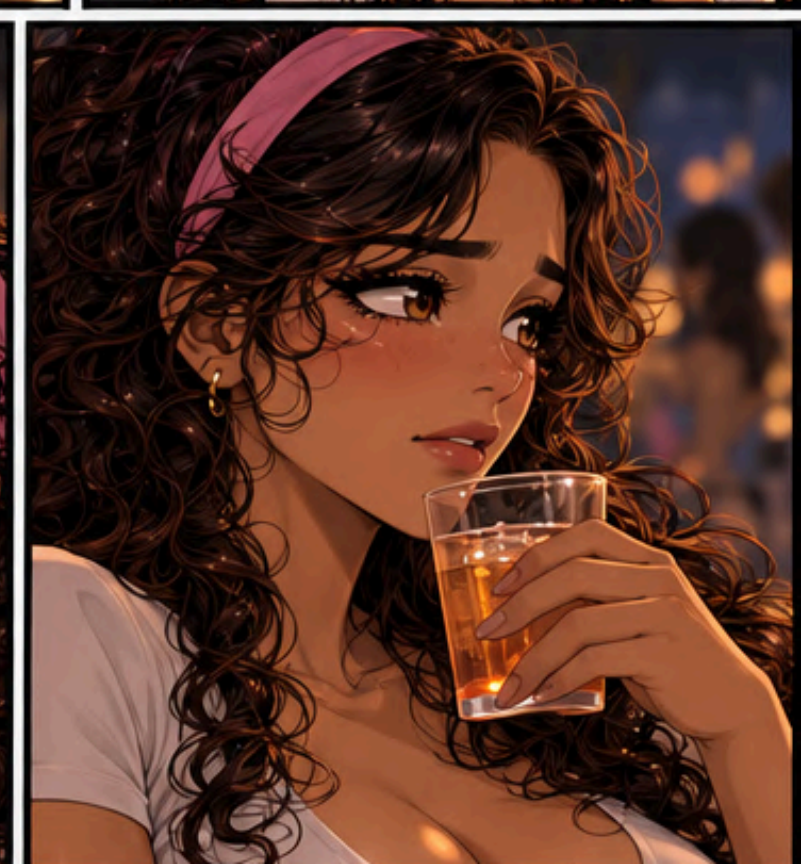

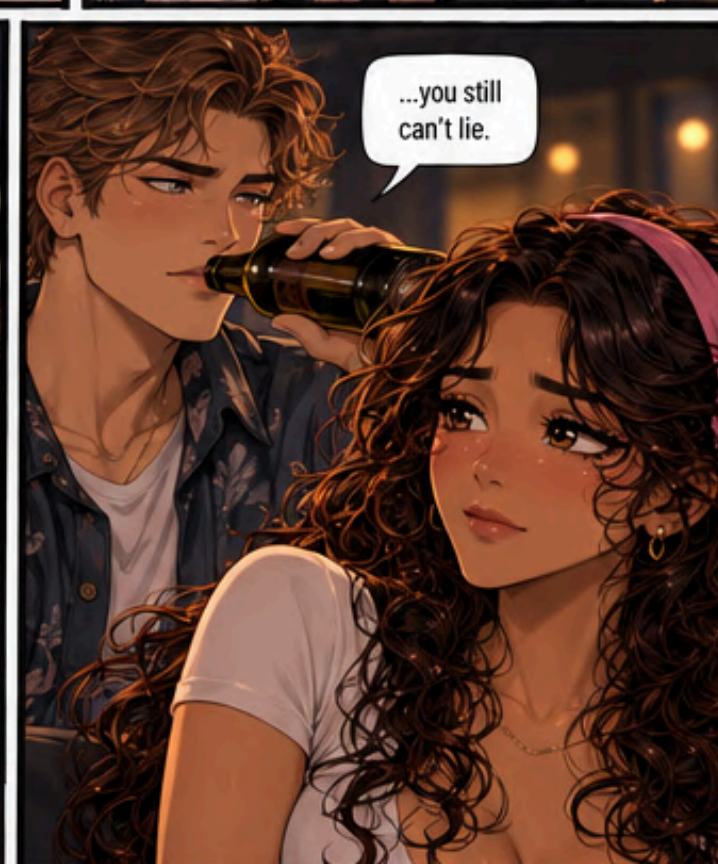

Home Still feels like home.

Evening.

The world isn't always the same when you look at it from the inside.

For you, Mutant Teen was like a school life.  
But when you step outside...

...that's the real world.

Work pressure.  
Parents' pressure.  
Fame.  
Everyone expecting something from you.

All of that changes people.

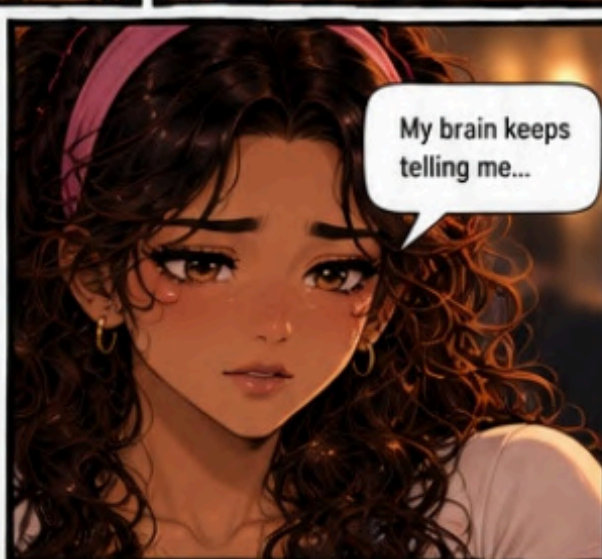

It's not that, Javen.  
I have everything now.

But I feel like I'm running for someone else...

Not because I want to.

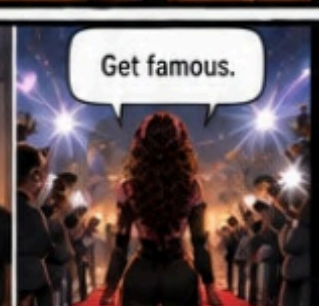

My brain keeps telling me...

Cooperate with the team.

Do what my parents want.

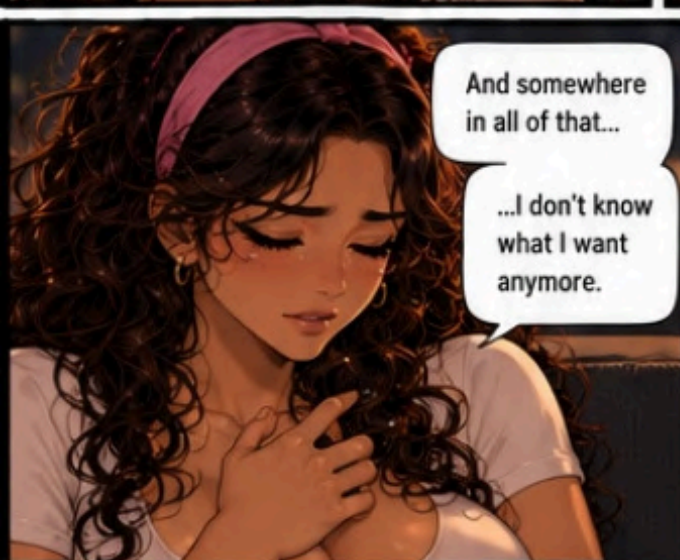

Get famous.

Be popular.

Be like this.  
Be like that.

And somewhere in all of that...

...I don't know what I want anymore.

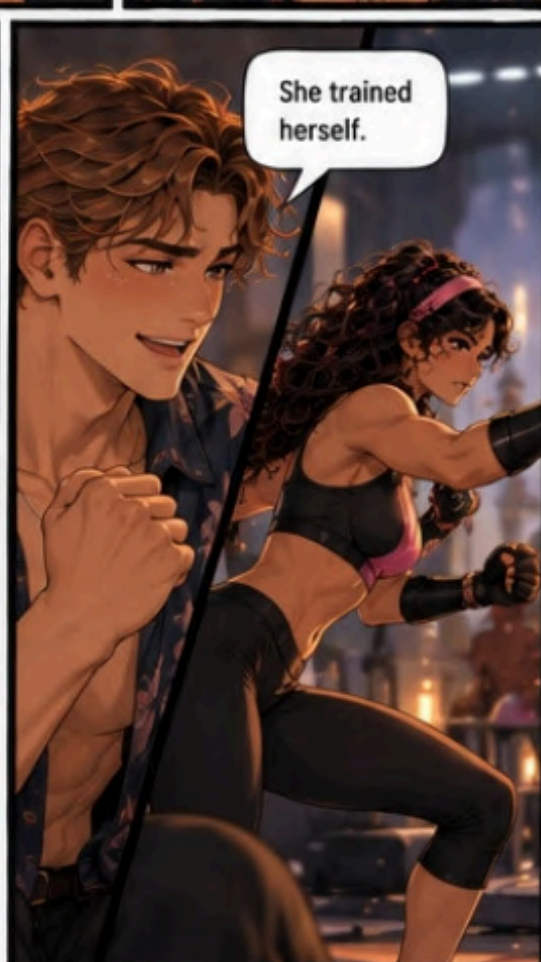

Then what does your heart say?

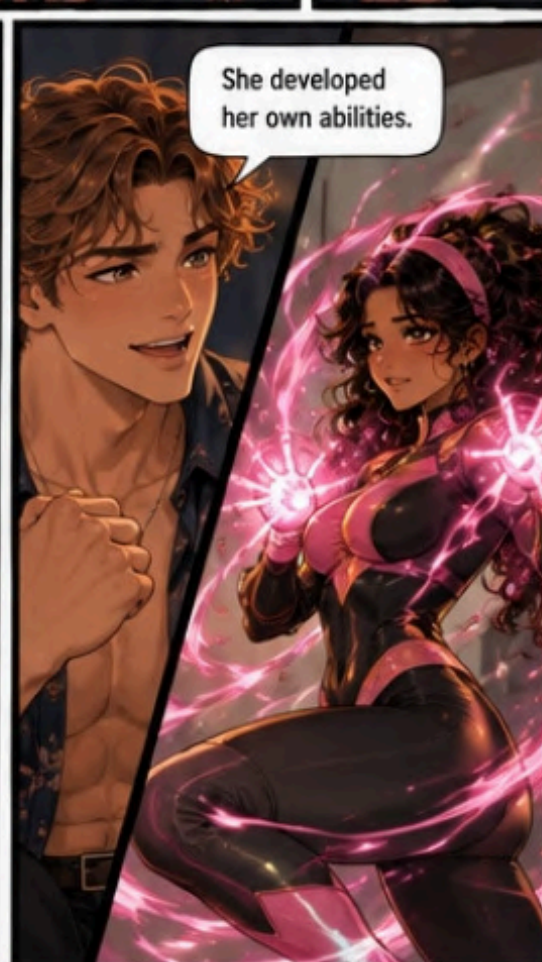

The Daru I knew here always listened to her heart.

She created her own costume.

She trained herself.

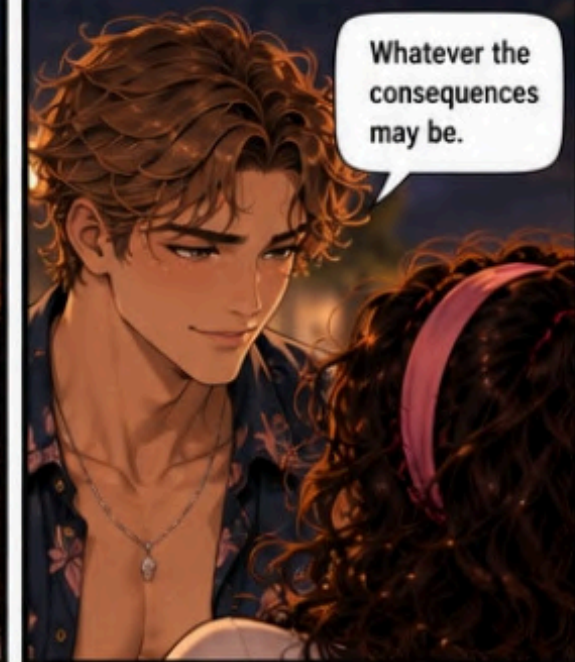

She developed her own abilities.

She led this team like she wore that badge proudly.

Do what your heart says, Daru.

Whatever the consequences may be.

And whatever happens...

...we'll always be with you.

What do you say, guys?

ALWAYS!

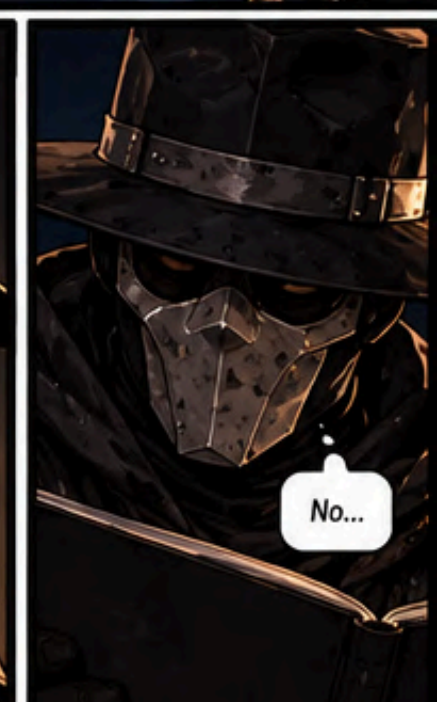

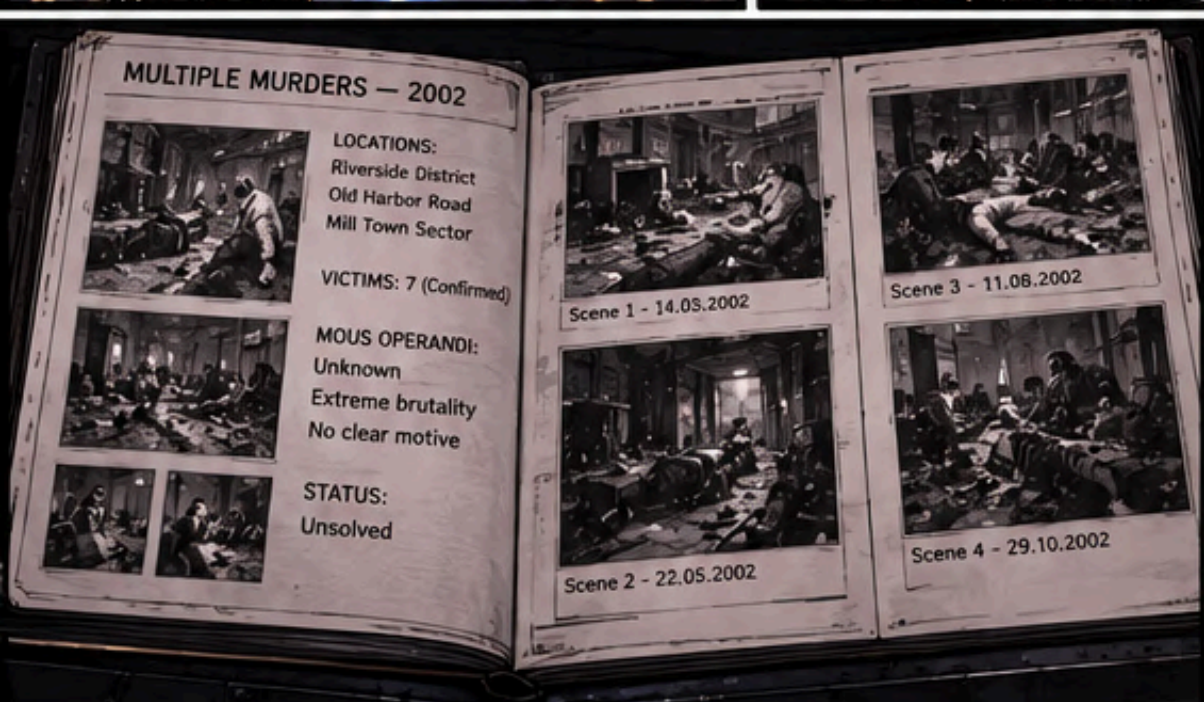

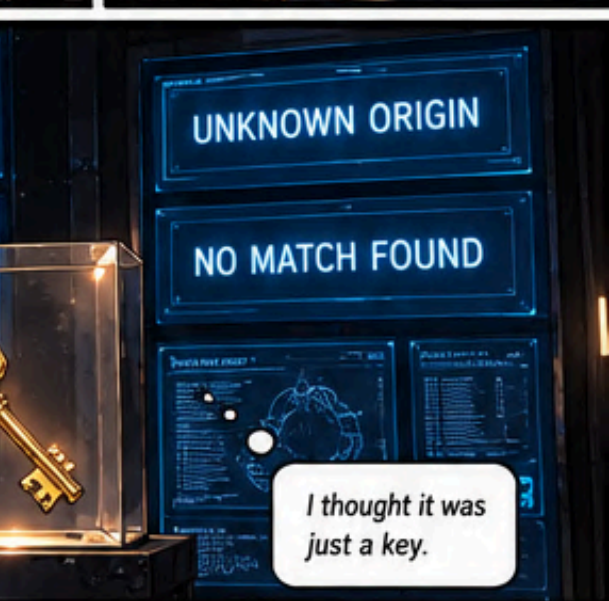

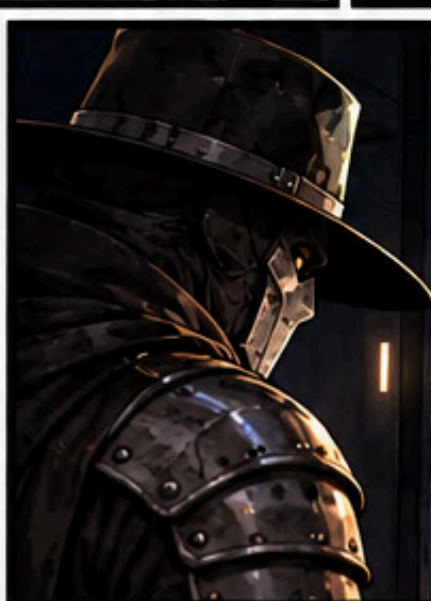

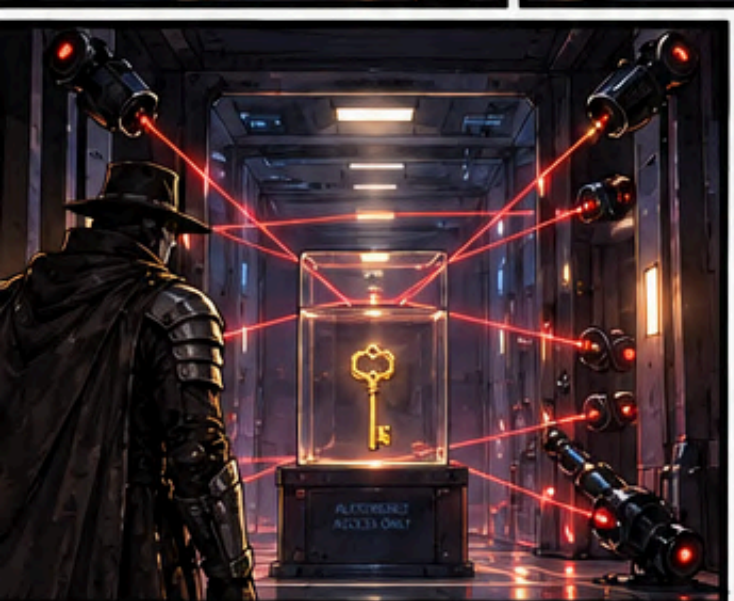

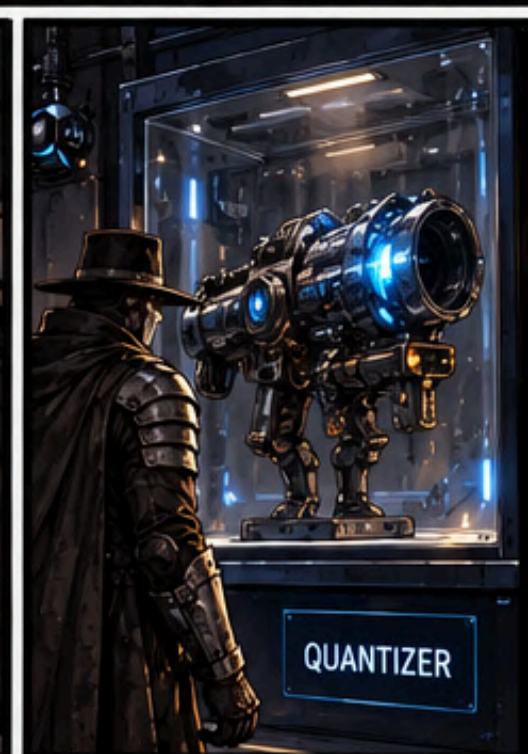

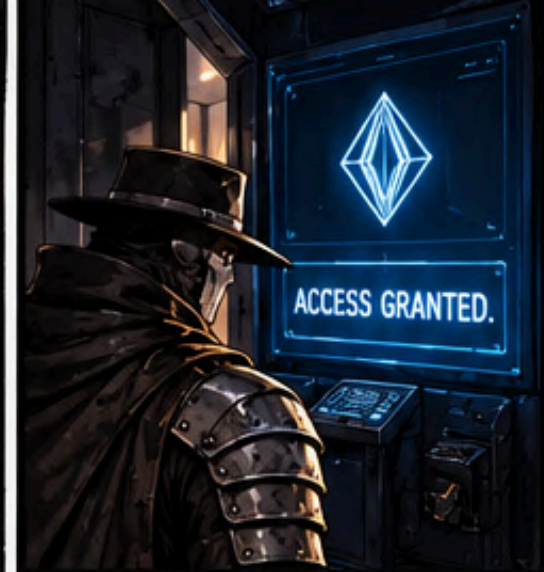

COME ON, ATOM GIRL!

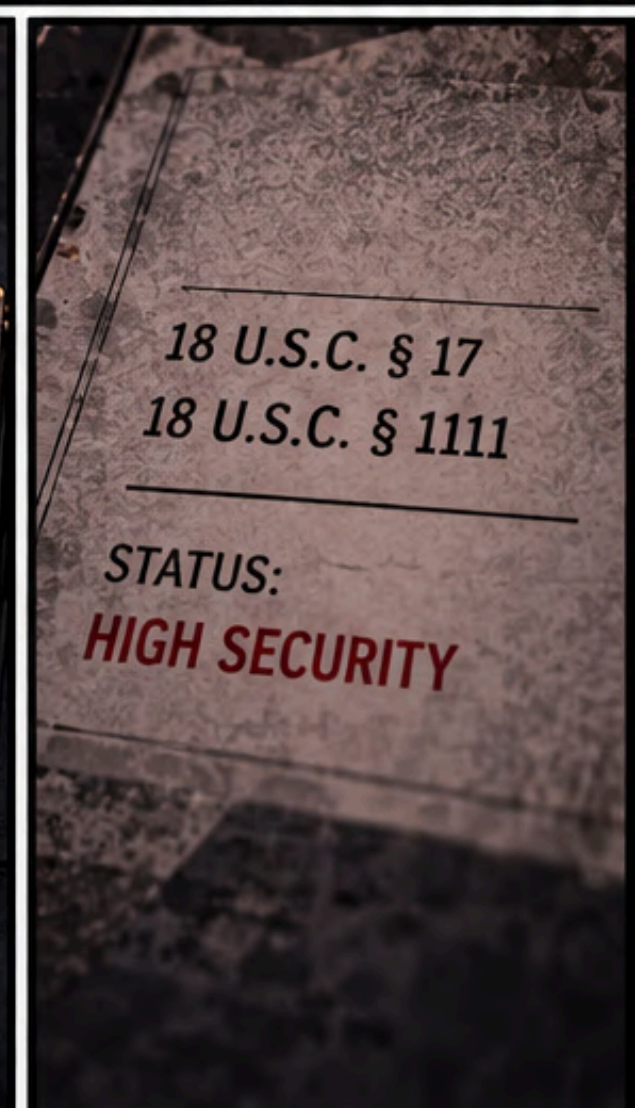

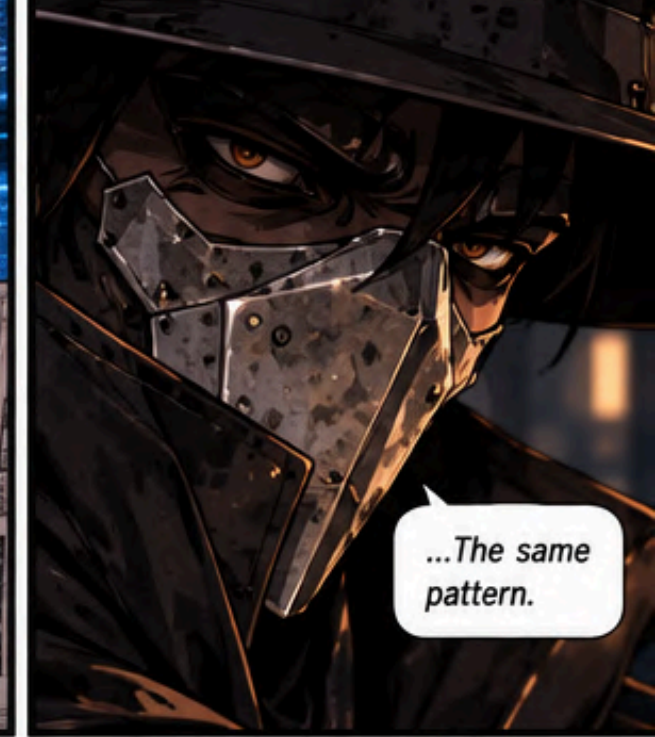

SHOW US WHAT YOU CAN DO!

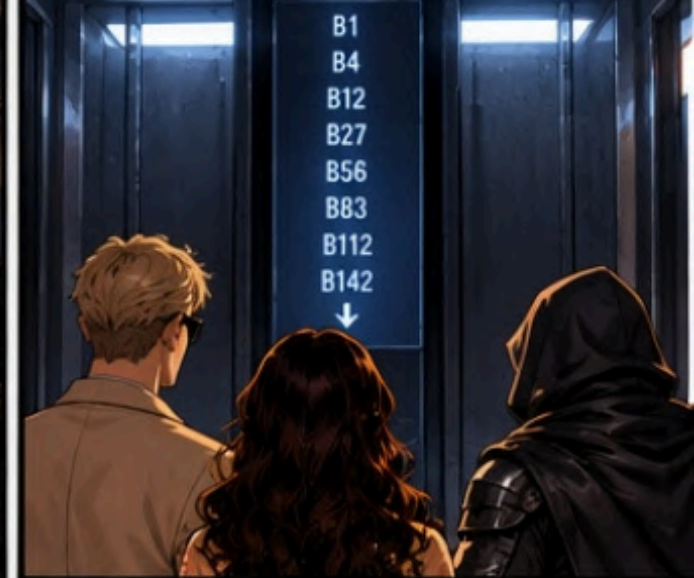

Oh, you're asking for it!

**RAMPAGE**  
WAITS SILENTLY.  
HIS HEAD SLOWLY TURNS  
TOWARD THE DISTANT  
PRISON CORRIDOR.

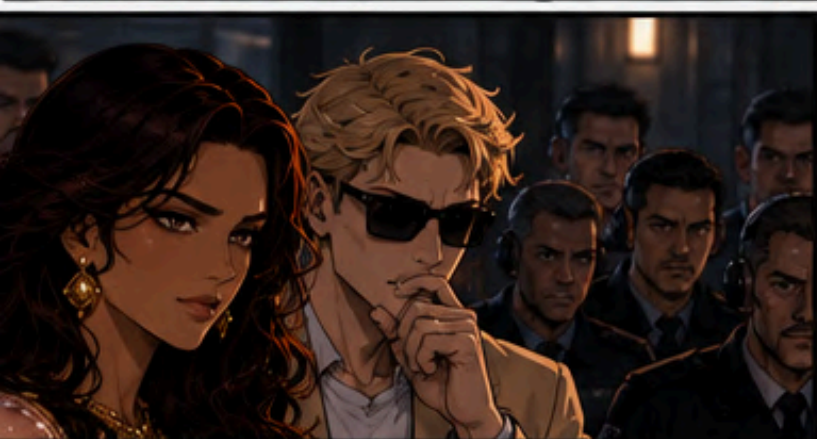

Every one of them was different and more enjoyable.

Some begged me.

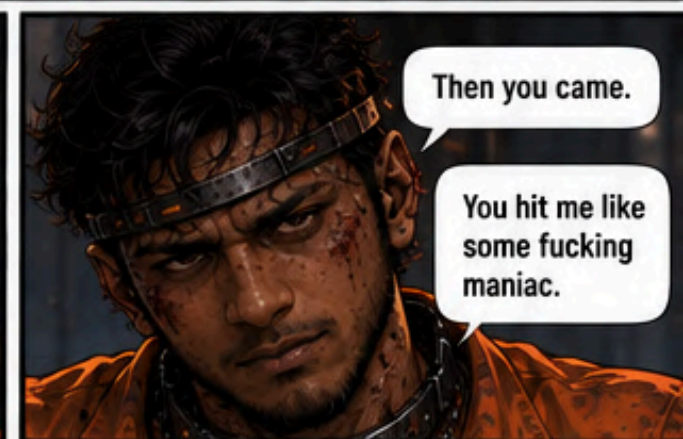

Some tried to run away.

But always the same ending.

Everything was perfect.

The Guardians couldn't even touch my hair.

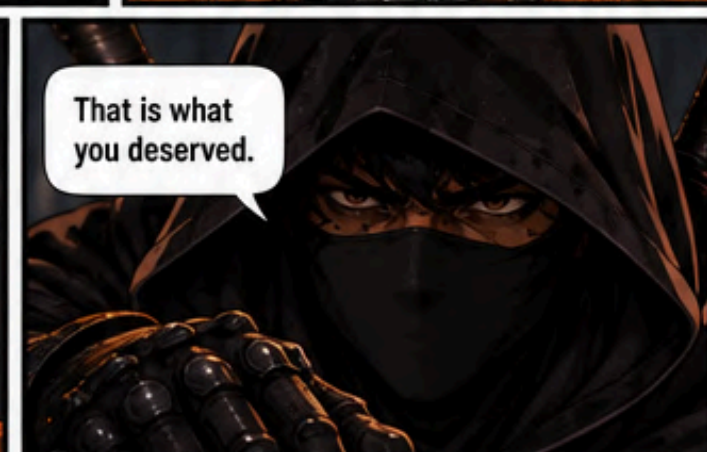

Then you came.

You hit me like some fucking maniac.

You cut my ears...

...and left me with your sword.

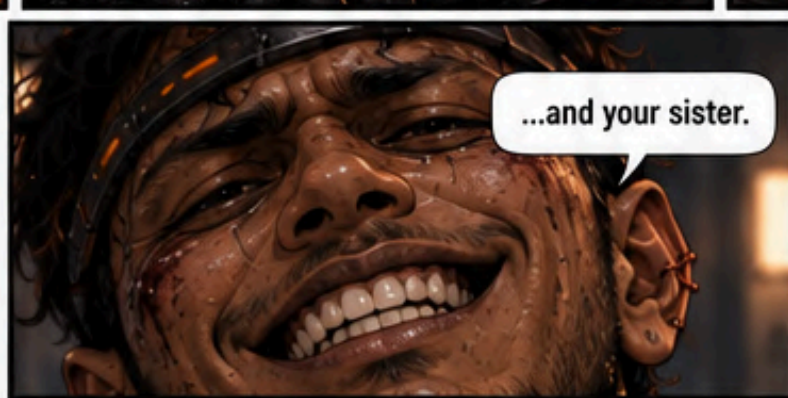

That is what you deserved.

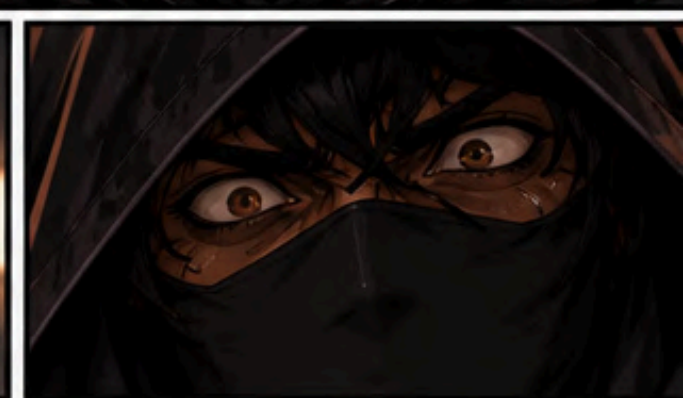

Now tell me. What did you do?

Kill you...

...and your sister.

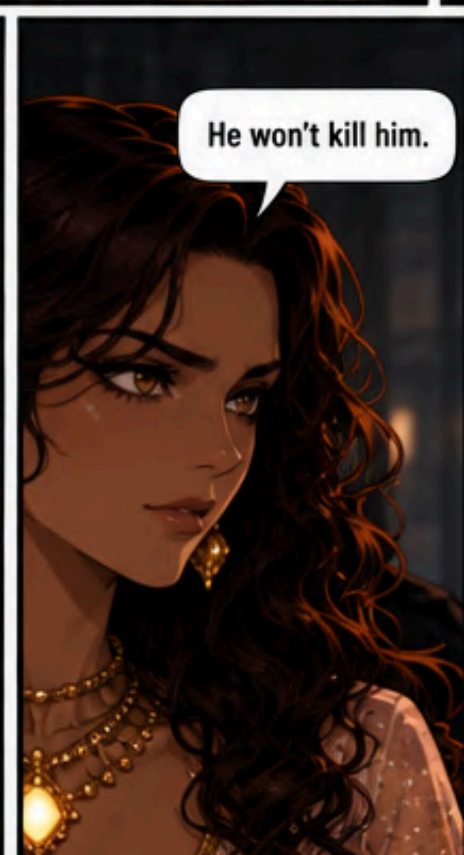

Rampage!

Stop!

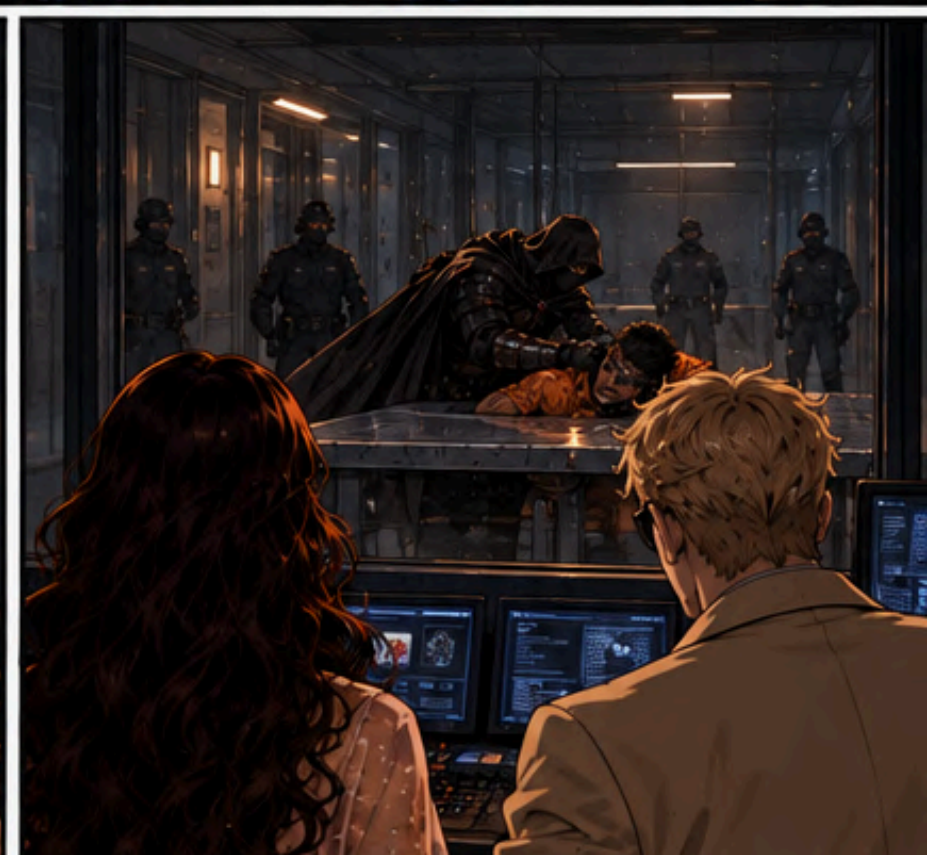

Get him out of there!

Let him interrogate.

He won't kill him.

What did you say?

Huh?

Sorry.

I didn't mean that.

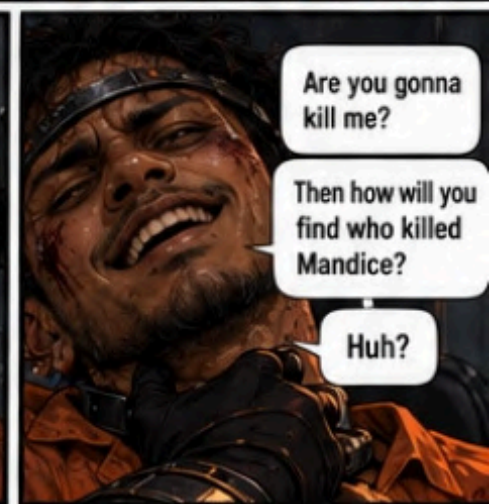

But...

I would definitely like her to be dead.

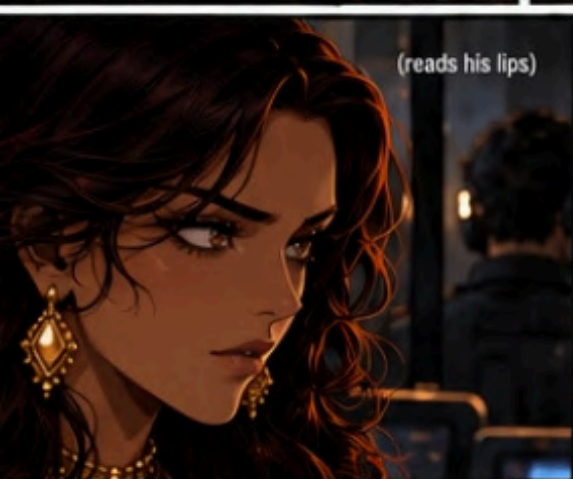

THUD!

Are you gonna kill me?

Then how will you find who killed Mandice?

Huh?

(reads his lips)

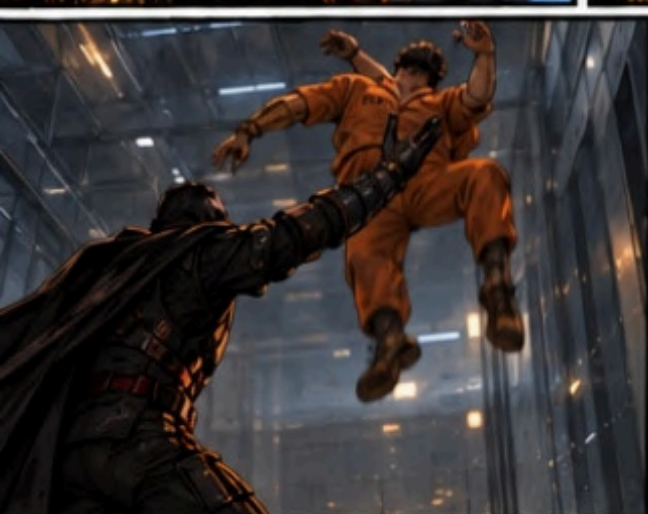

He is saying something to Rampage.

He knows about Mandice.

You killed her?

CRASH!

That's enough!

Rampage, step back!

We'll talk about it when we meet outside.

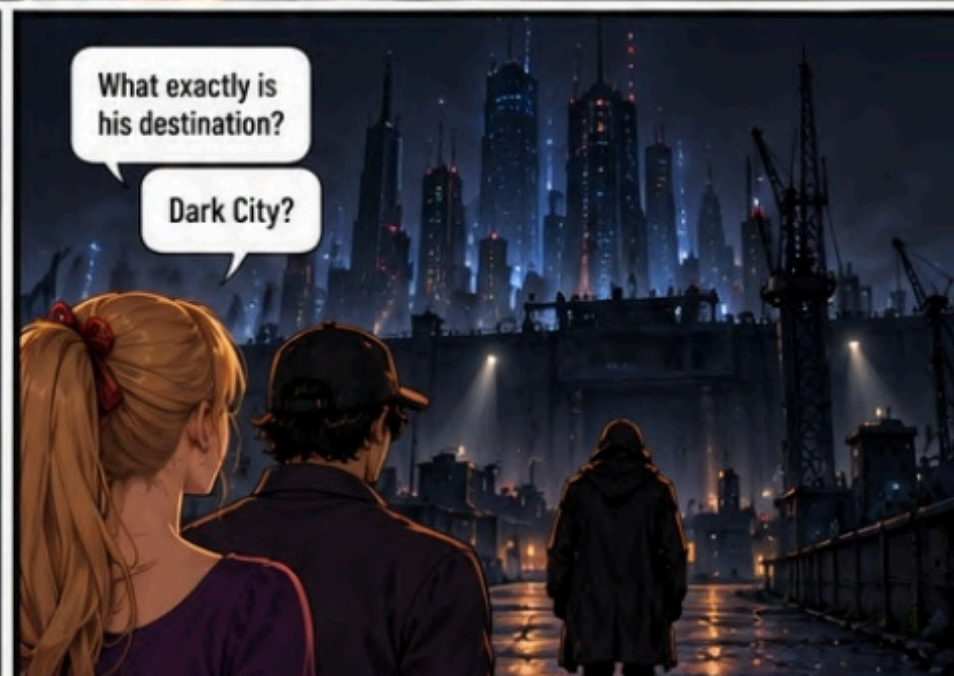

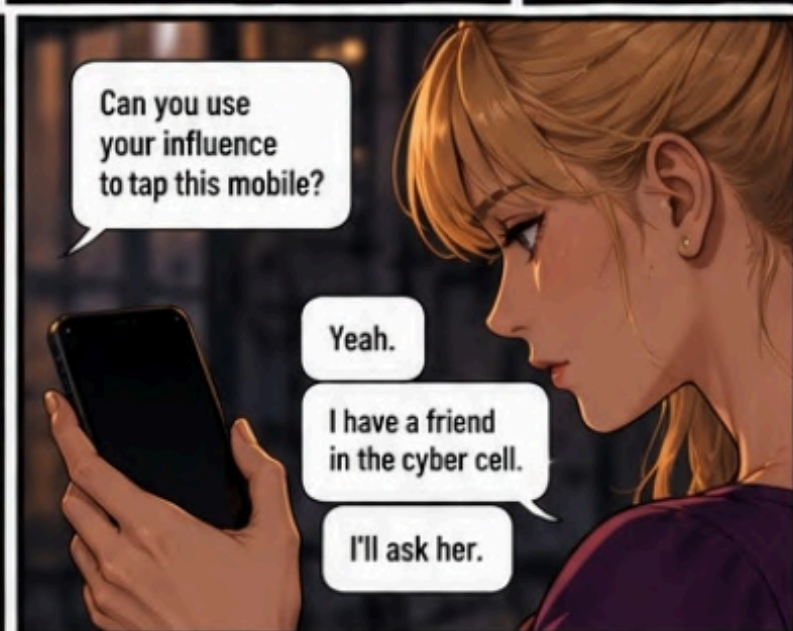

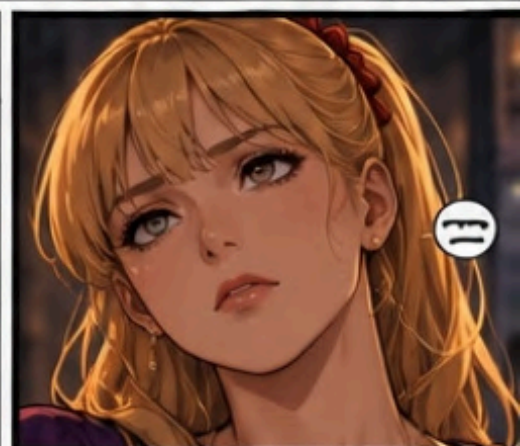

It will never happen.

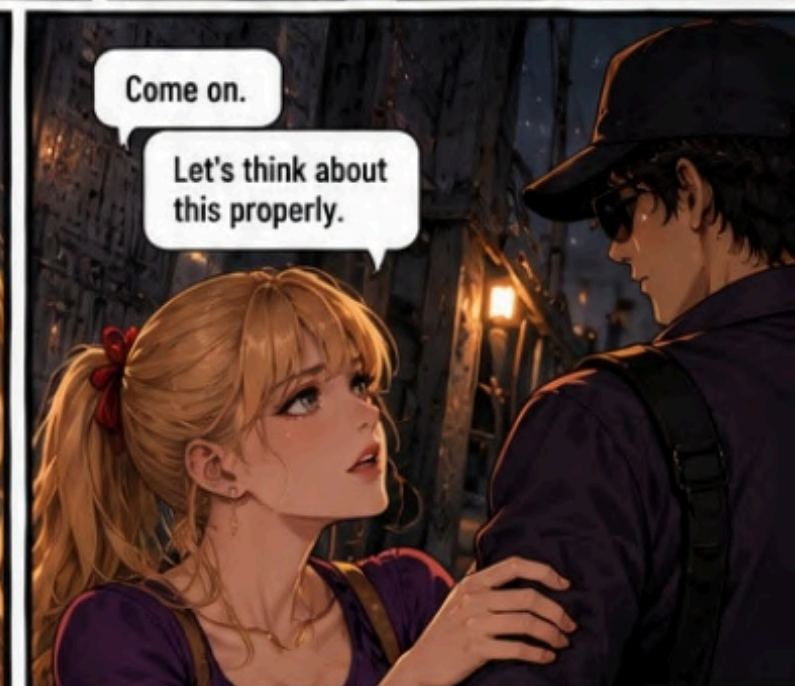

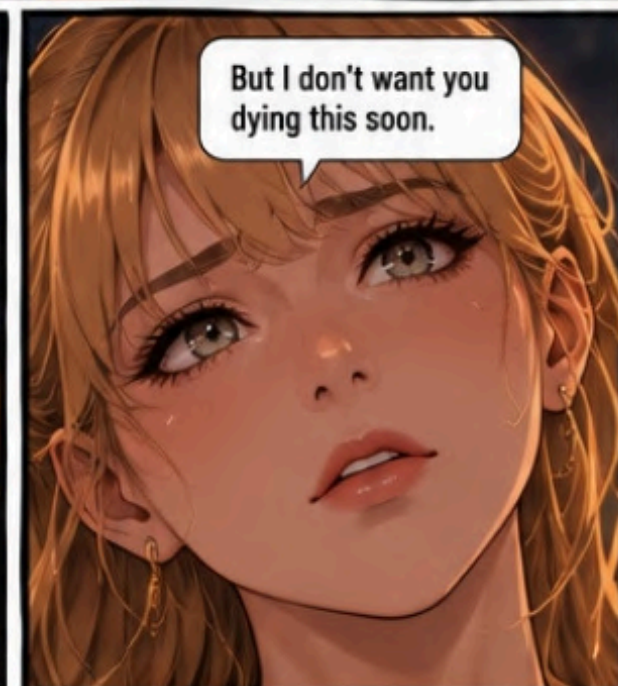

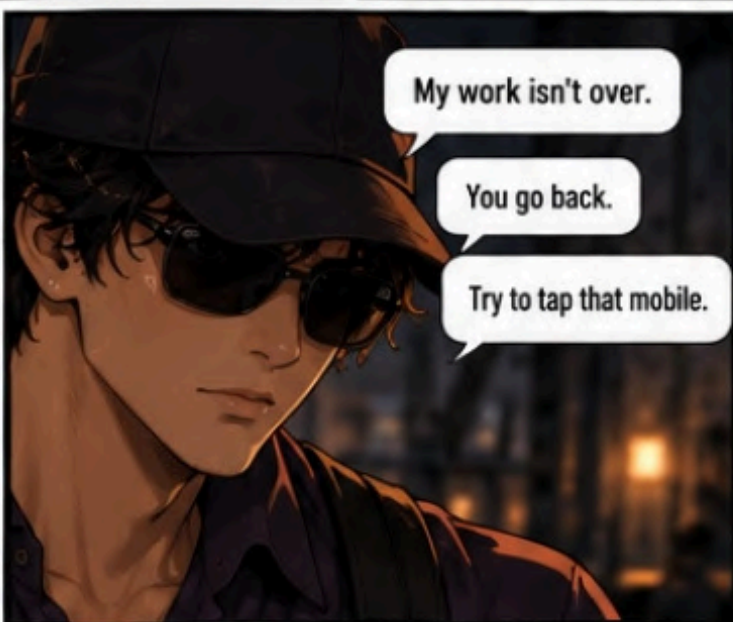

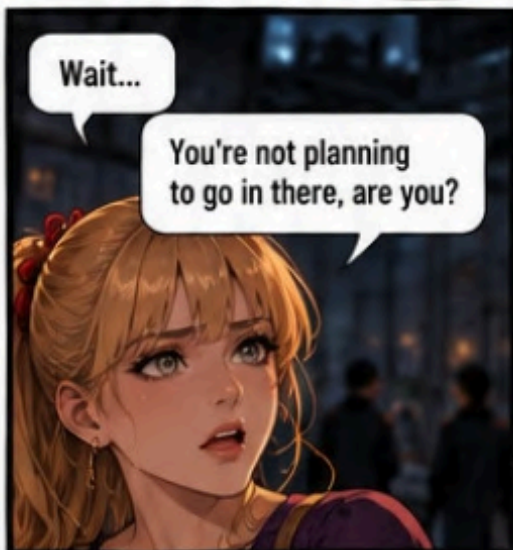

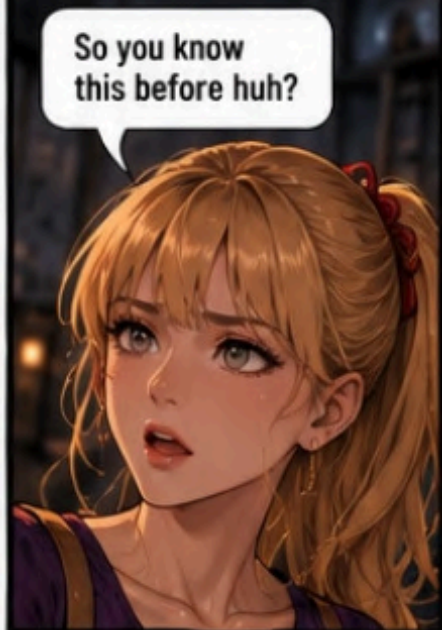

We'll meet soon.

LATER.

You really are a good reporter, Amy.

How do you say that?

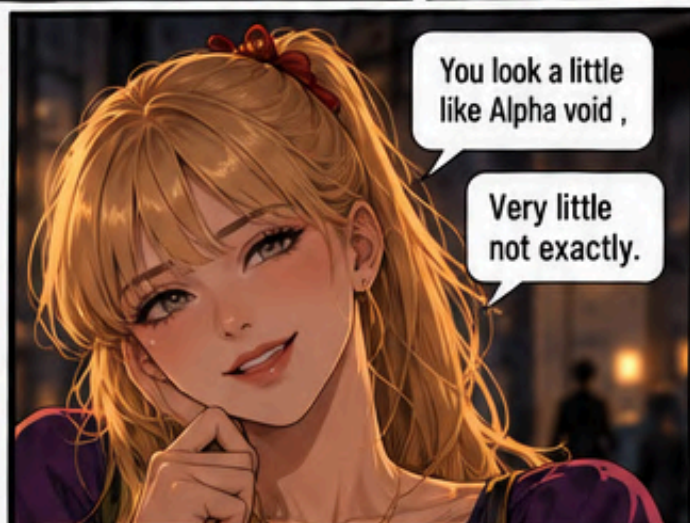

Because thinking about how I'd look without a plan...

...that's a reporter's mind.

Can I say you something?

?

You look a little like Alpha void ,

Very little not exactly.

Is it i will take that as a compliment then.

Did you seen him in person how can you say that?

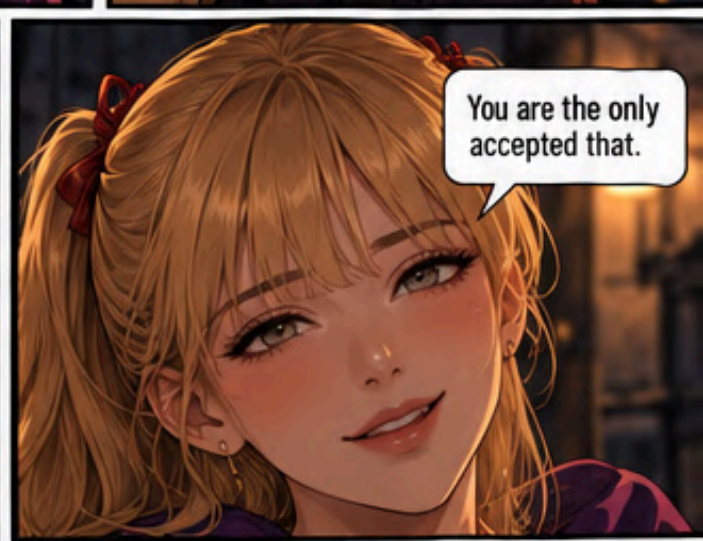

Alpha once saved me but that doesn't mean i am alive today because of him.

He was a good guy but not a God.

Yes you are correct.

You are the only accepted that.

THEY REACH THE END OF THE ALLEY.

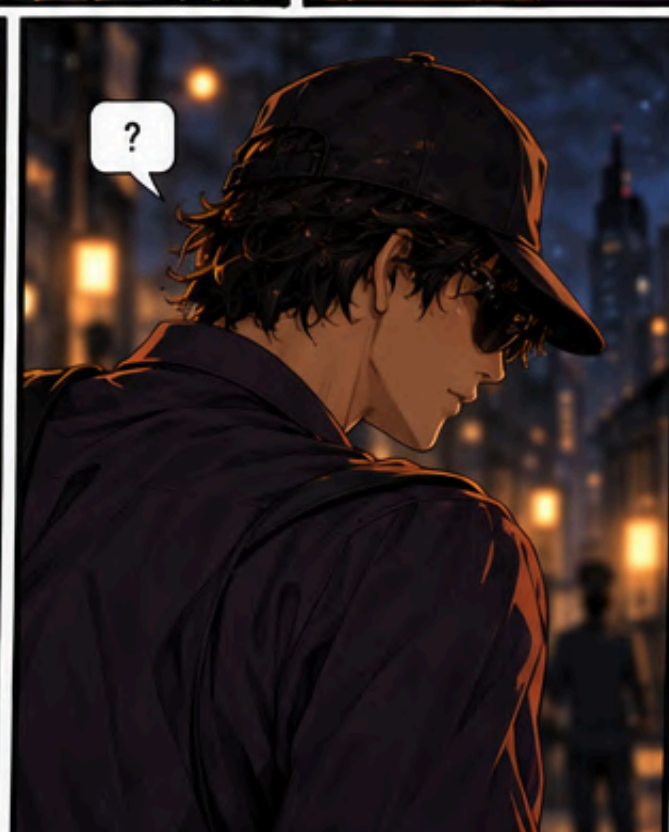

Thank you for trusting me, Rogers.

Thank you for helping me with my work, Amy.

Rogers...

You need to see this.

?
